

Let's fight orcs!

60+ pics of a lone wild elf
against 2 horny orcs.

Explore her fate!

Hello, My name is Little feather, I am a wild elf and I live in the deep forest where few humans has ever been,

I decide to leave the safety of my tribe to go deeper in the wild.

I'm 117 years, and still young for an elf.

The journey was quiet when 2 orcs appears out of the brush.

Hey little elf
Wanna play
with us?

I'm sure I will
give you
some fun.

**She know the orc and has no desire to serve as a meal.
She point her lance at them.**

She feels not comfortable with these guy, orcs are usually a bad encounter and can't be thrusted.

See bro, she says she will be a bad girl, I can't wait to see it.

You stop here guys, or I will be a bad girl and fight you.

They do not look intimidate by the girl.

The orc has an idea in mind.

They have seen that the elf girl has a red bush under her loincloth. They want it.

Eat that stupid
elf girl.

The feet of the
orc smashed
the face of the
elf,
his powerful
strength knock
her out.

**The shock was so strong
that she flew back.**

**You're no match for me little girl.
Feel the power of the orcs.**

**Bastard, leave me alone or I will
get angry.
You don't want to see me angry.**

No little one, you have to be kind, or I'll get angry too. If you are a good girl, you will stay alive.

No, you don't have right to do this monster.

I got the right of the strongest pussy girl.

The orc holds her while his brother explores what is under the loincloth.

An interesting little pussy in fact, all what he wants.

The orc grab the elf girl, get her naked while his brother still hold her head with his steel hand. He knows what he wants and with his brute force

**Hold her brother,
I pass first.**

**No, please, no,
don't do that!**

**She could cry but the orc don't care, he is
ready to plug his large and long dick inside
her small and tight pussy.**

**She is so thight,
It's so good.**

The large dick enter her small pussy, the orc enjoys it, as he enjoy violence.

There is no pleasure without violence for orcs.

No, Don't stop please!

He goes in and out as much as he can, the small pussy was a real pleasure for him, as her protest, the orc are violent and raping is their way to express it.

Despite the horror, the elf seems to feel it good, she was horrified but the brutal penetration makes her get wet.

It is so incredibly good, I never feel something that big before.

**Stronger,
I'm cuming!**

**The orc strangle her while he gets his orgasm.
the elf discover herself as masochist as her
pleasure rise while he go deeper inside her.**

**Me too!
Stupid elf.**

Despite being a best he know how to please her, his long and hard tongue slide on her wet pussy, tickling her small clitoris.

Giving her endless orgasm.

I can't endure anymore, my will is falling, it is so good, but I get so exhausted.

They win, the elf girl is completely tamed and see no reason to protest anymore, the two orcs takes time and pleasure to fill her now enlarged pussy. And she loves it.

You are so good, I can't resist you anymore, do whatever you want with me.

And now little elf?

She finally loves to be taken on both side and don't protest anymore her lover's demands.

That was a good fuck bro,

Sure, we should let the game has a rest before we hunt her again for food this time.

It's the end, the orcs has now empty ball and leave the girl alone.

Exhausted and tamed she lay on the ground in a pleasure attitude.
