Fiverr and Fiverr Enterprise

What's the difference?

What is Fiv-Ent?

- Fiverr Enterprise is a freelance management platform making it easy for companies to manage freelancers like you, and pay them in a simple and timely way.
- The platform is always free for freelancers and contractors, so you'll keep 100% of what you earn.

What is Fiv-Ent?

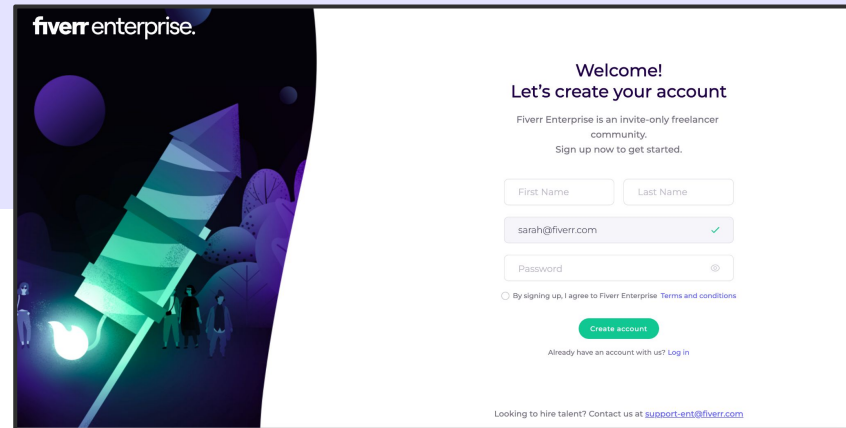

How is it going to work?

- Starcling and its partners will contact you and assign you work through the platform. Once you have completed a job, you'll be paid directly through the Fiv-Ent platform
- You can work on multiple jobs and with multiple employers at the same time

How to Sign Up

→ You will be receiving an invitation email to register for Fiverr Enterprise from (no-reply@fiverr-ent.com)

→ You should follow the link to register and create a new password

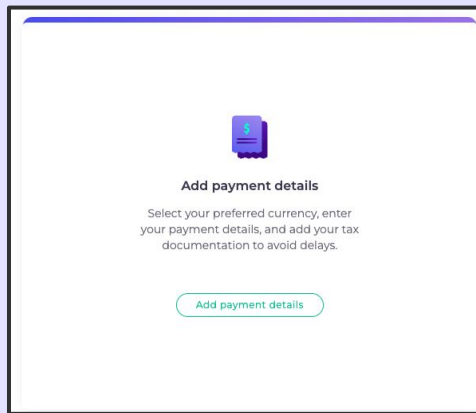

The screenshot shows the Fiverr Enterprise account creation interface. On the left, there is a dark-themed illustration of a rocket launching into space with a glowing blue flame. The text 'fiverr enterprise.' is visible in the top left corner of the illustration. On the right, the page has a white background with the heading 'Welcome! Let's create your account'. Below this, it states 'Fiverr Enterprise is an invite-only freelancer community. Sign up now to get started.' The form includes fields for 'First Name', 'Last Name', and 'Email' (with 'sarah@fiverr.com' entered and a checkmark). There is a 'Password' field with a strength indicator. Below the form, there is a radio button for 'By signing up, I agree to Fiverr Enterprise Terms and conditions' and a green 'Create account' button. At the bottom, there is a link for 'Already have an account with us? Log in' and a footer for 'Looking to hire talent? Contact us at support-ent@fiverr.com'.
