This place is like  
a ghost town! Unreal.

I know. And the sirens  
are just too scary.  
Every few minutes ...

I've run out of guys to  
send selfies to.

Uh-huh.

Netflix sucks, man.

We should make up our  
own stories ...

soon ...

Okay, so I've come up with a couple of stories!

It's gonna be like a thousand and one nights, except, you know, of quarantine?

Okay, so the first one is kinda hardcore, but with a female perspective.

The second one is like a horror story, except with Sushi. You'll see!

The third one's all about the girls. Will get pretty steamy.

And I think it might also have Keanu Reeves in it. Tee-hee.

# Daydreaming

A woman with long brown hair, seen from behind, stands in a bedroom. She is wearing a white dress with teal floral patterns. Her right arm is raised, touching her hair. She is looking out a window with a view of a cloudy sky. To her right is a dark wooden dresser with three drawers, each with a silver handle. On top of the dresser are several books, a small potted plant in a red bowl, and a stack of books. A white vase is on the floor next to the dresser. A grey chair is partially visible in the bottom right corner. The room has a light-colored rug and a dark wood headboard.

When I think about the things I miss the most in this time, it's really not the clubs or the bars or the restaurants or even the campus.

What it comes down to,  
really, at the end of the day,  
is just one thing,  
and one thing alone ...

*DICK!*

Hey! Mind if I suck your dick?  
No? Good! Just sit there and  
shut up!

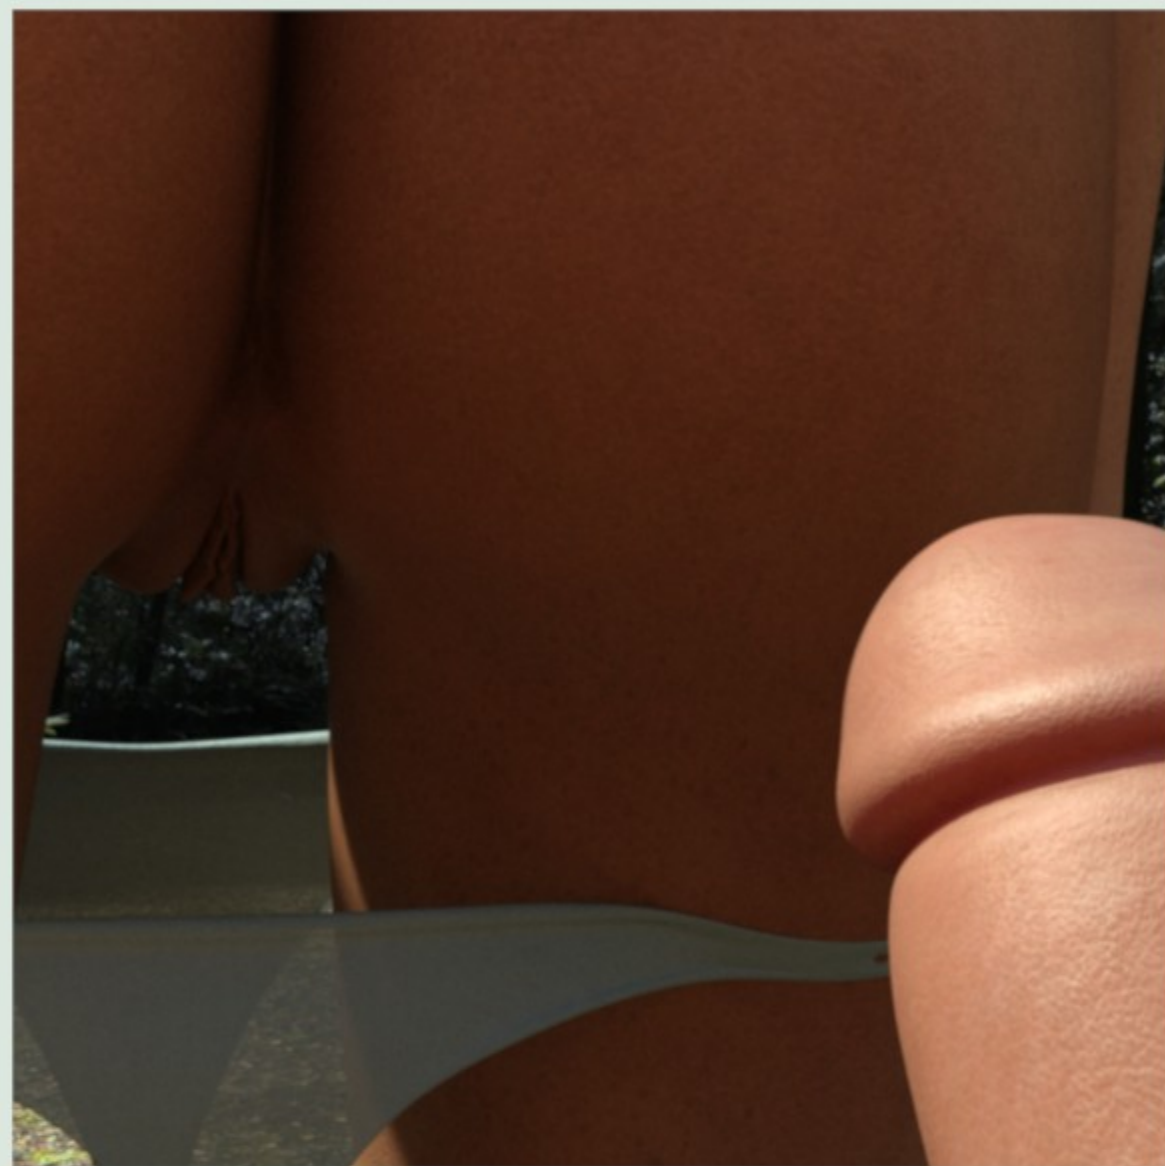

I like how  
big you are!

Do you like  
my ass?  
Most guys like  
my ass!  
I bet you do,  
too.  
Does this get  
you nice and  
hard?  
Good!

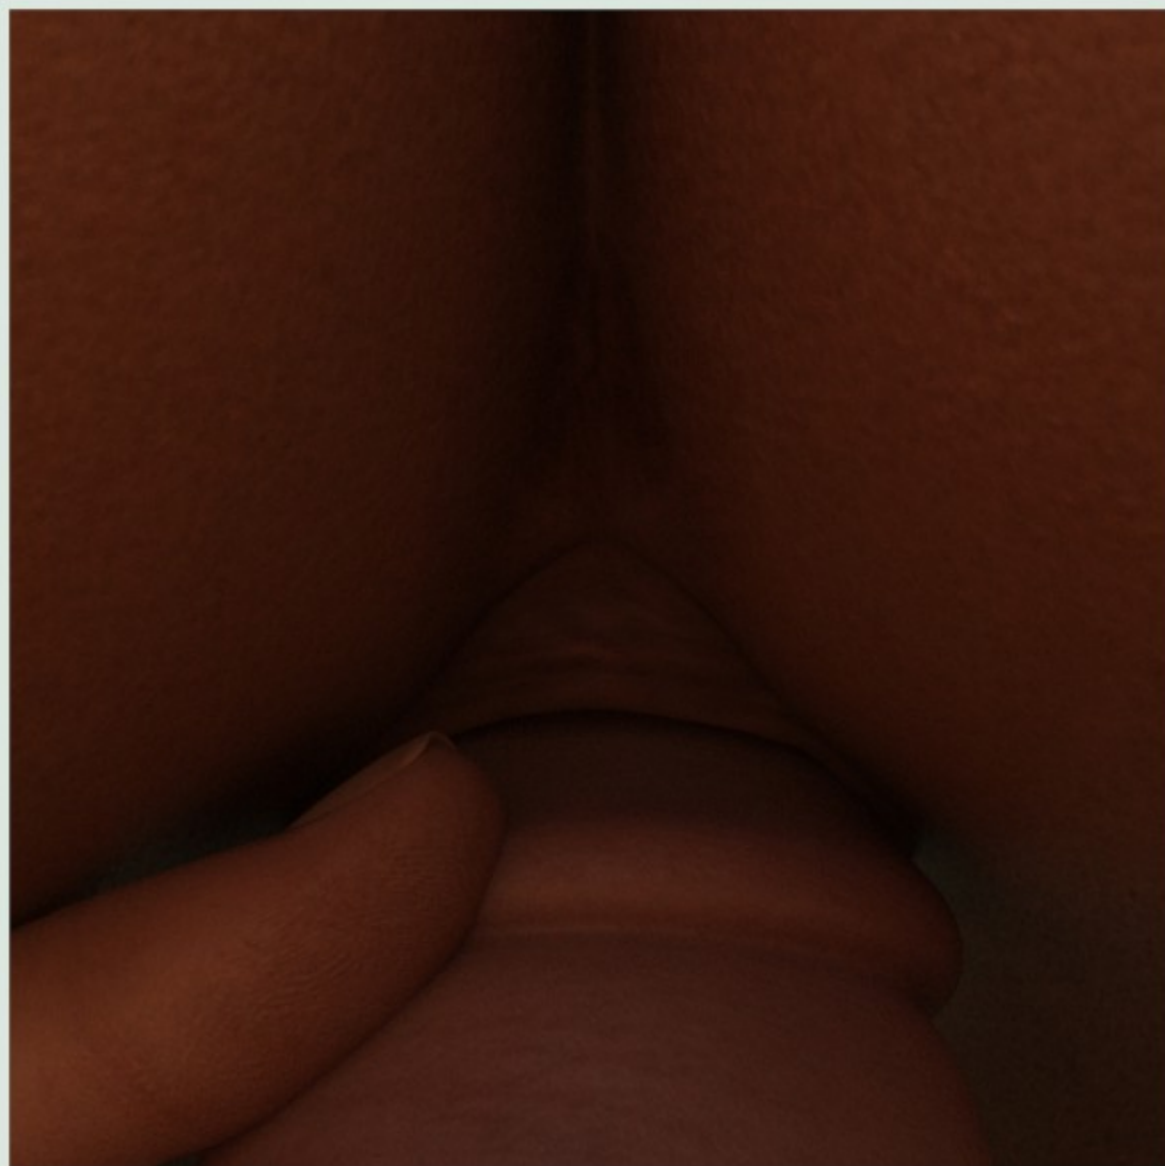

You're  
hard.  
I'm wet.

Let's get  
the party  
started!

I got this!

You just  
sit there,  
okay?

And don't  
speak!

Shhhh!

There!

Like that!

YES!

Ahhhh!

Moan!

Pant!

Yes, ah,  
deeeeep!

Gargh!

Yes! Yes!

Ooooooh!

Are you cumming?

Dude, I needed that sooo bad.

HELP

A woman with her hair in a bun, wearing a white crop top and light-colored shorts, is talking to a police officer in a dark uniform. The officer is wearing a cap and has a badge on his chest. They are standing in a dark, possibly outdoor or semi-outdoor, setting with some lights in the background. The woman has her hands clasped together in a pleading gesture.

Miss, you are in violation of the  
Tokyo City Dress Code!

You are barefoot, braless, and  
wearing an exposed thong!

Of course you  
are going to be  
chased by monsters!

Officer, help me! There are  
monsters chasing me! Please!

Please, please!

No, you don't understand!

PLEASE!

They're  
coming!

POLICE

I cannot help you, Miss!

Evidently, I am merely a cardboard cut-out of a police officer. There is really nothing I can do. If you would now please excuse me, as I fall over! Thank you kindly, Miss!

NO!

RUN!

Run along, now!

RUN!

whatever you do

NO!

And please refrain from stepping on me. Have a nice day!

RUN!

No!!  
I  
can  
not  
RUN!

Come, your order is ready!

Your order of Sushi, Miss!

My order?

Well, about time!

Enjoy!

Don't I get any chop-sticks?

WIGGLE

You won't be  
needing chop-

retch

Are you okay?  
I heard you throwing up.

I think it  
was the Sushi.

# Unexpected

... sigh ...

Oh, Keanu, yes, please don't ever stop! You are so gentle and tender with me.

Hi Molly, don't freak out!

SHRIEK!

Who? What!?

I've wanted you for so long!

Let me show you just how much I want you, Molly!

But - Selena?! - I ... you know, I don't even think I've seen any of your movies. Why are you here?

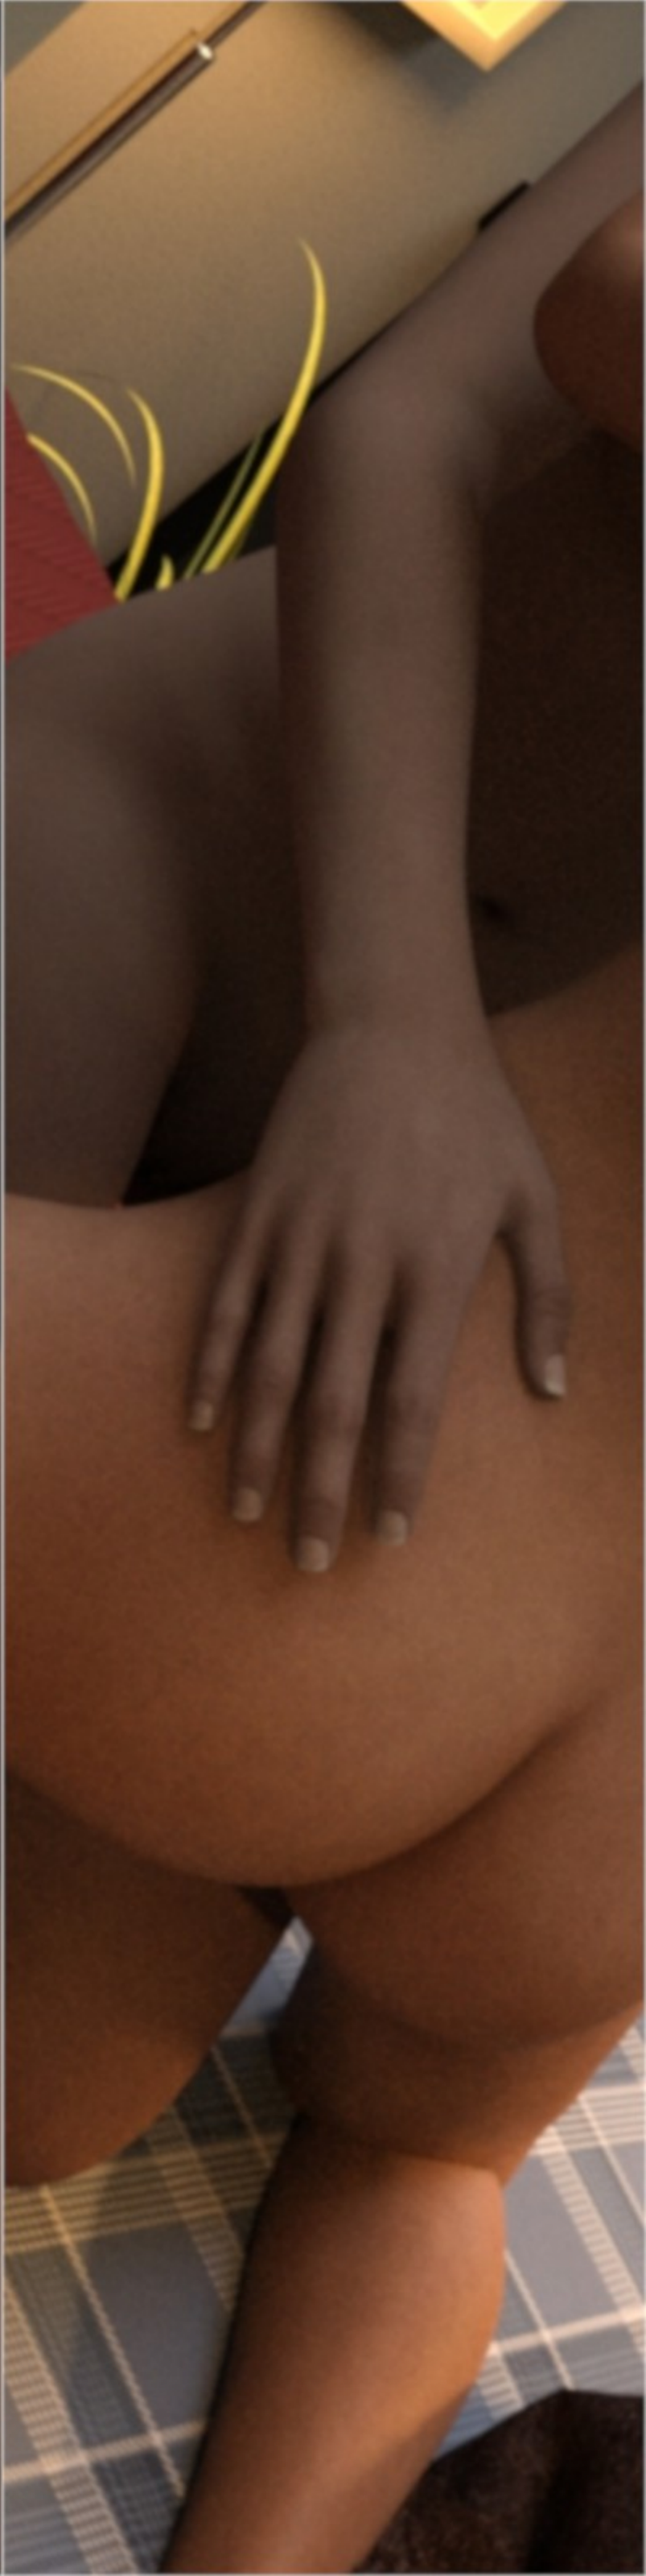

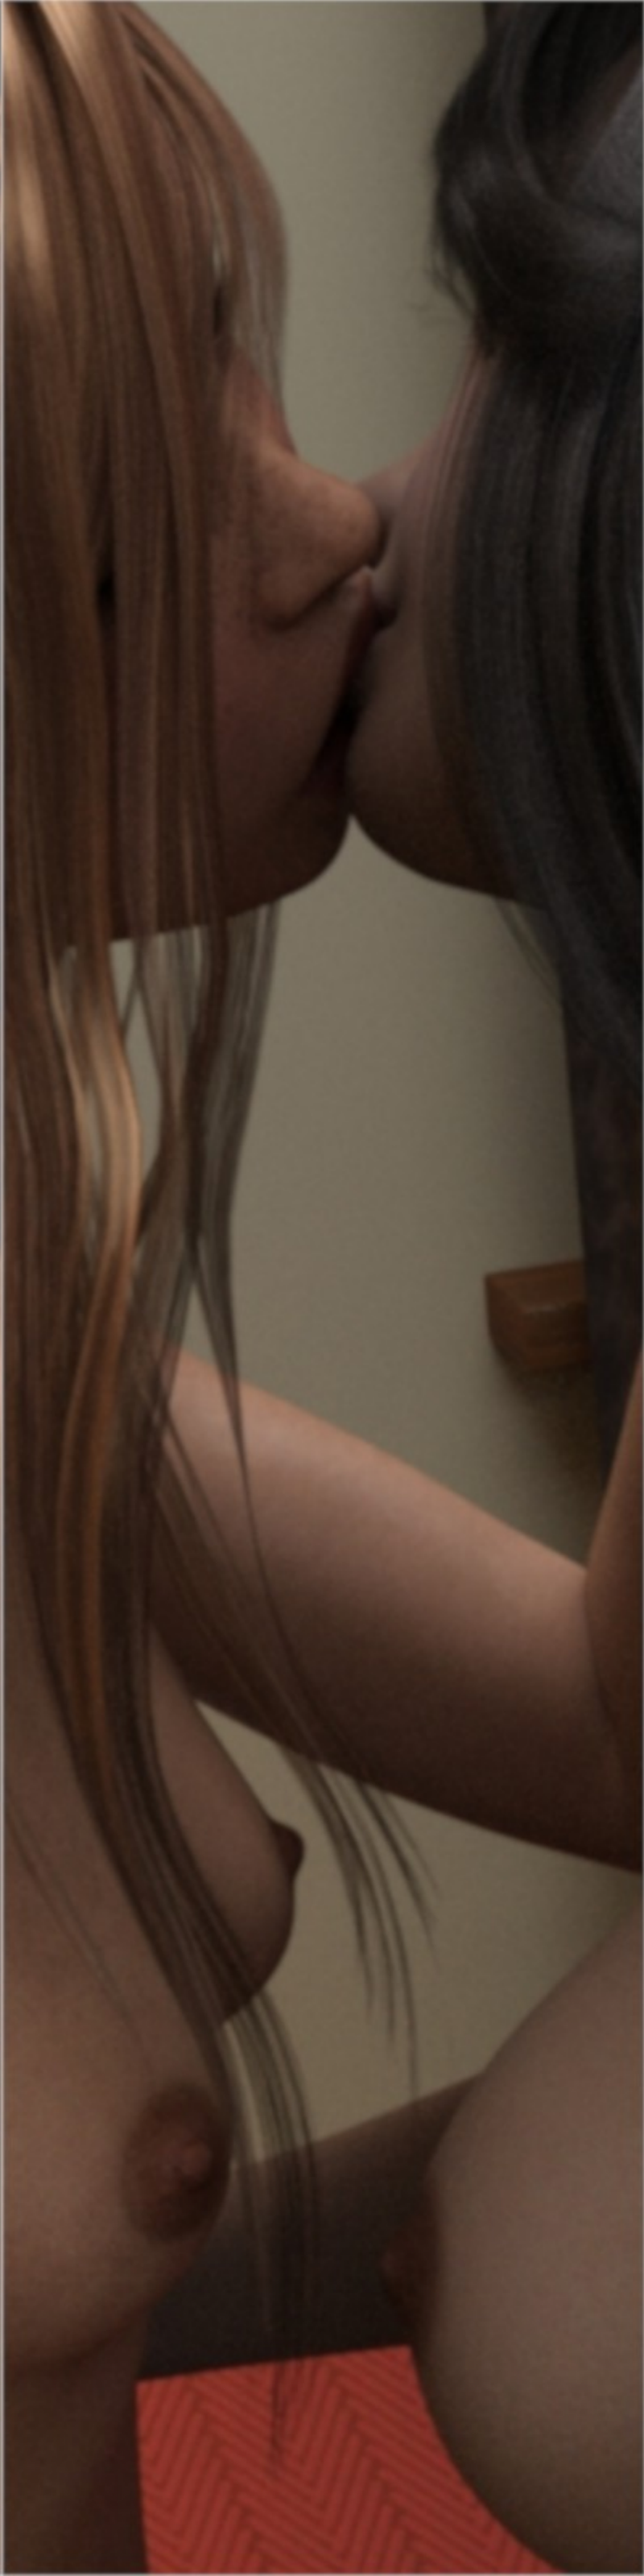

Let me help you  
out of your dress!

I've never actually  
even *kissed* a girl!
