campfire nachos

the long road home  
GIANTESS, ENTRAPMENT, BUTTCRUSH, FARTING, SCAT

The first thing I'm doing  
when I get home is taking  
a LONG, HOT shower.  
I feel so gross right now.

OH MY GOD!  
HEY?!

Hey!  
Hey you!  
Over here!

Aren't you adorable!  
I can't believe I'm finally  
meeting one of you little people.

How did you get all the way  
out here?

And on top of my car?

I've been climbing all morning.  
I was worried that no one was coming.

Can you help me, please?  
I just got away from an awful woman  
from campus and I need to get home.  
I've been out here for over a day.  
My family is probably losing it!

How did you survive out here for so long?

I almost didn't!  
It's all been luck!  
And I'm so hungry.

Please! Will you take me back into town?

You're hungry too?

Honey, of course I'll take you back!  
I have a snack for you on the way there too.

Ever had Campfire Nachos?  
They're pretty yummy.

Oh God!  
What are you doing?

I'll make a deal with you.  
If you can guess every  
single ingredient  
in Campfire Nachos,  
then I won't make you  
eat the ones I had yesterday.

And if you can't?  
Then I'm going to bury  
your tiny ass in them.

Bury me? W-what do you mean?

I bet you wish you  
stayed with the other lady now, don't you?

By the way,  
I haven't showered in almost a week,  
so it might be hard  
to smell what was in those nachos.  
Here's a little hint.  
Straight from the source.

AGH!  
Oh God!  
It smells!  
Let me go!

If you couldn't tell I hadn't showered before,

I bet you can now.

Do you have your first guess?

HELP! HELP ME! SOMEBODY!

EHHH! Wrong!

You better hurry up.

In a minute or two you're going to feel  
a little turtle head poking out.

If you know what I'm saying...

NO!

Not like this! Please!

I don't want to die like-

Then you better start guessing!

Here's your second clue!

Ouch!

You're getting all kinds of clues today.  
That one was warm as Hell.  
Any guesses now?

Beans!?

Hmm... What kinda beans?

Refried?!

Nope!

Black Beans?

Oh! Very good!  
And what else?

Onions!?

Be more specific...

Green onions!?

Oh God please let me out!

Wow!

Are you cheating?

Or can you really smell that back there?

I'm kinda impressed.

2 down, 6 more to go!

Ugh.

And I know you just heard my stomach

I have to shit so bad.

NOOO!!!

Cheese!?

Girl!

You have to be more specific!  
You're wasting time.

Pepperjack? Cheddar? Mozzarella?

Nope...

You're moving a lot back there.  
You really want to live, don't you?

I see why you survived out in the woods for so long.

AHHHH!

Please don't do this to me!  
Please!!

Speaking of cheese...

Here's your fourth and FINAL clue.

Queso!  
Oh God it's queso!  
I can't breathe!

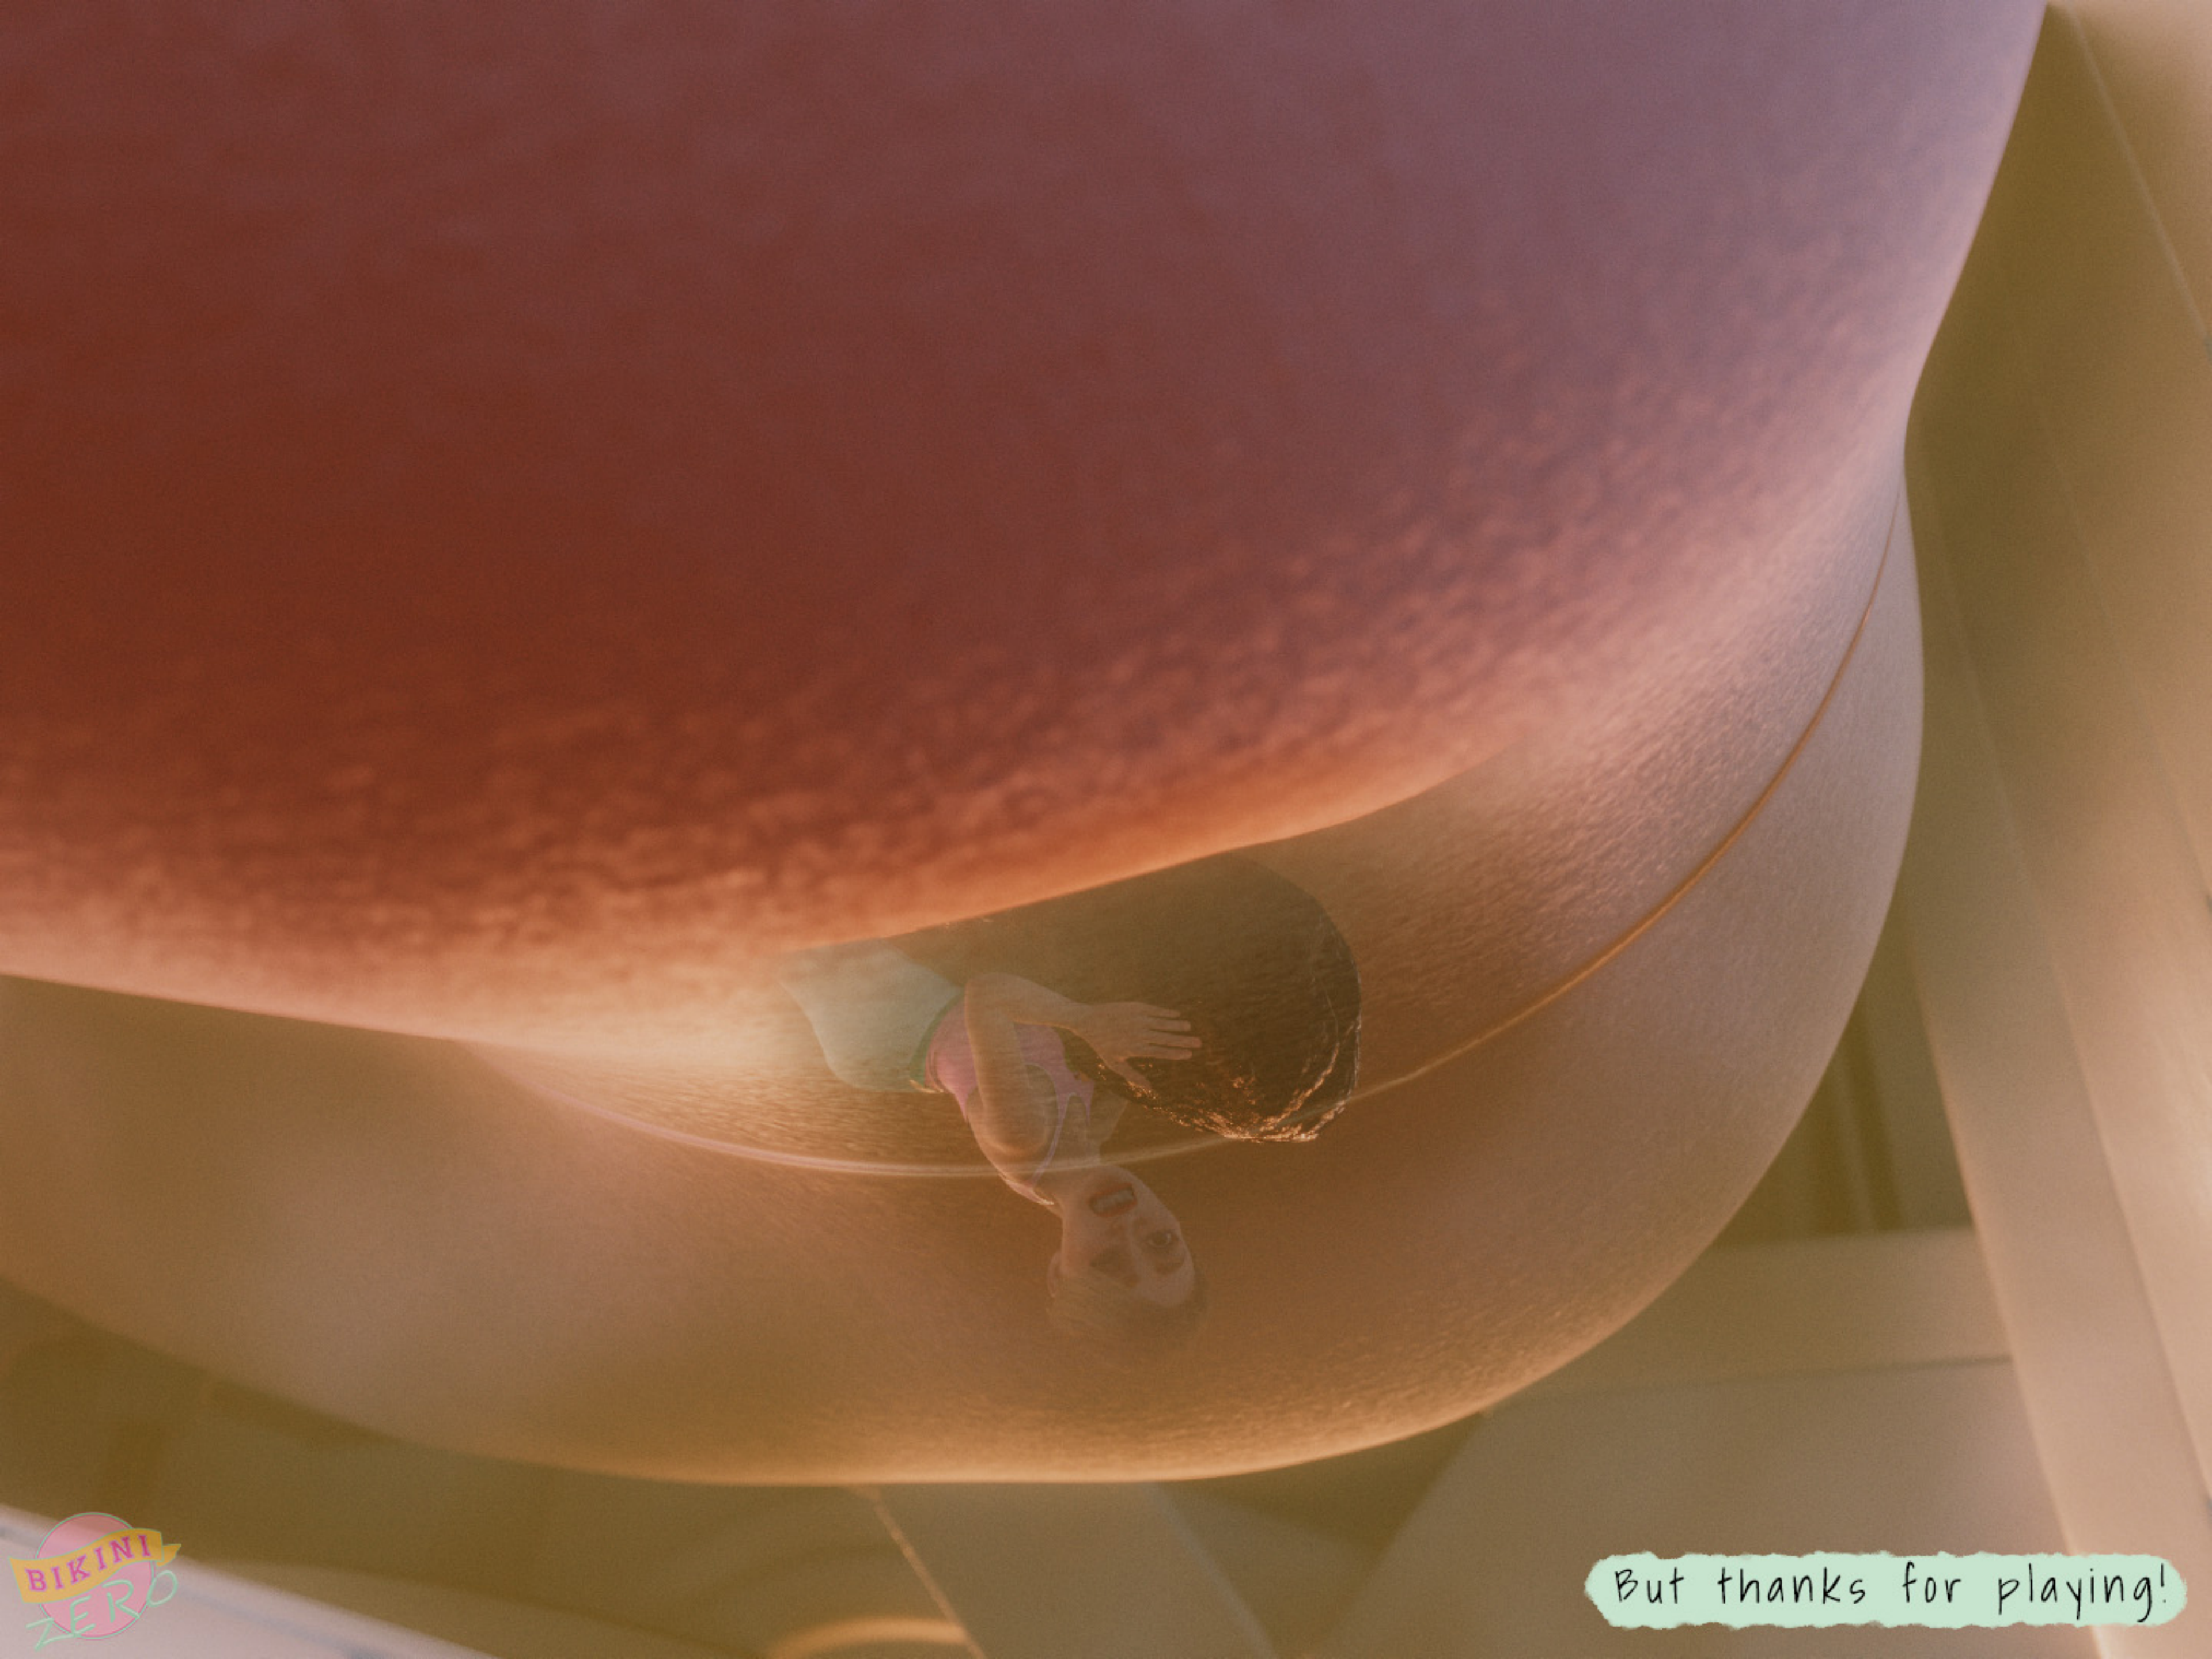

DAMN!  
No one has ever guessed that many!  
You should feel kinda special!

Sorry about the runner-up  
"prize" though...

But thanks for playing!

Any more guesses?  
You came so close that  
I'll pinch it off just for you  
if you can guess the other ingredients!

Wanna know the rest of the ingredients?  
Or are you getting a good taste of them right now?

AHHHH!!  
ARRHH GOD!!!

Or...

You can spend your last moments screaming like an idiot.  
That's fine too.

That sounded nasty as HELL!  
How you doing down there, honey?  
Sounds like you're already choking on it.

uhm. Hello?

A close-up photograph of a person's back, showing a tattoo of a dark, textured shape with a white heart-like mark in the center. The skin is tanned and has some white marks or scratches. The background is a blurred, light-colored surface.

Damn. This bitch already let go.  
Still have an hour drive back.

Glad I took my sister's car this week...

# sweat lodge

GIANTESS, ENTRAPMENT, SWEAT, FARTING

Would you stop crying already?  
It's not like you are doing  
this for the first time.  
Now Keep licking.  
You still have to clean the rest  
of me and I haven't got all day.

Alright, I guess I'll give you a headstart on cleaning where it REALLY matters.

Please!  
Don't put me in here again!

Let's put you back home.  
See you tomorrow, loser

No!!!

oof.  
Aren't you nice and snug back there?  
But you'll probably want to quit moving so much...

Ugh... That's why.

Lucky for you, there's more on the way.  
Looks like you're in for a smelly night.  
At least you'll stay warm!

BIKINI  
ZERO

another dumb blonde  
GIANTESS, VORE, DIGESTION, DISPOSAL

OUCH!

Hmmm... Never had a blond before.  
But what the fuck are you wearing?

Wait!  
My family is rich!  
I can buy you anything you want.  
PLEASE!

So anyway...  
Not much meat on you, is there?

Mmmhmm...

PLEASE!  
Anything but this!

\*Gulp\*

I probably should've took that ugly ass dress off first.

Ah well.  
At least you and it will make  
an interesting looking shit.

\*giggles\*

Welp, Get comfy.  
You have a LONG night ahead of you  
So I'll see you in the morning!  
Well, what's left of you...

You almost done Chloe?  
I need to go so bad!

In a minute!  
I'm taking a HUGE crap right now.  
Wanna watch?

Eww...

It's been two days, but it's finally coming out!  
I'm so excited!

Okay, good for you..  
Let me know when you're done.

Wait!  
Can you smell it from there?

Bye Chloe...

Ugh!  
Grody

I thought you tiny people were  
supposed to be high in fiber.

That must have been  
horrible for you.  
I can't imagine...

Alright Mila!

I'm done.

But you might want to  
go use the other bathroom.

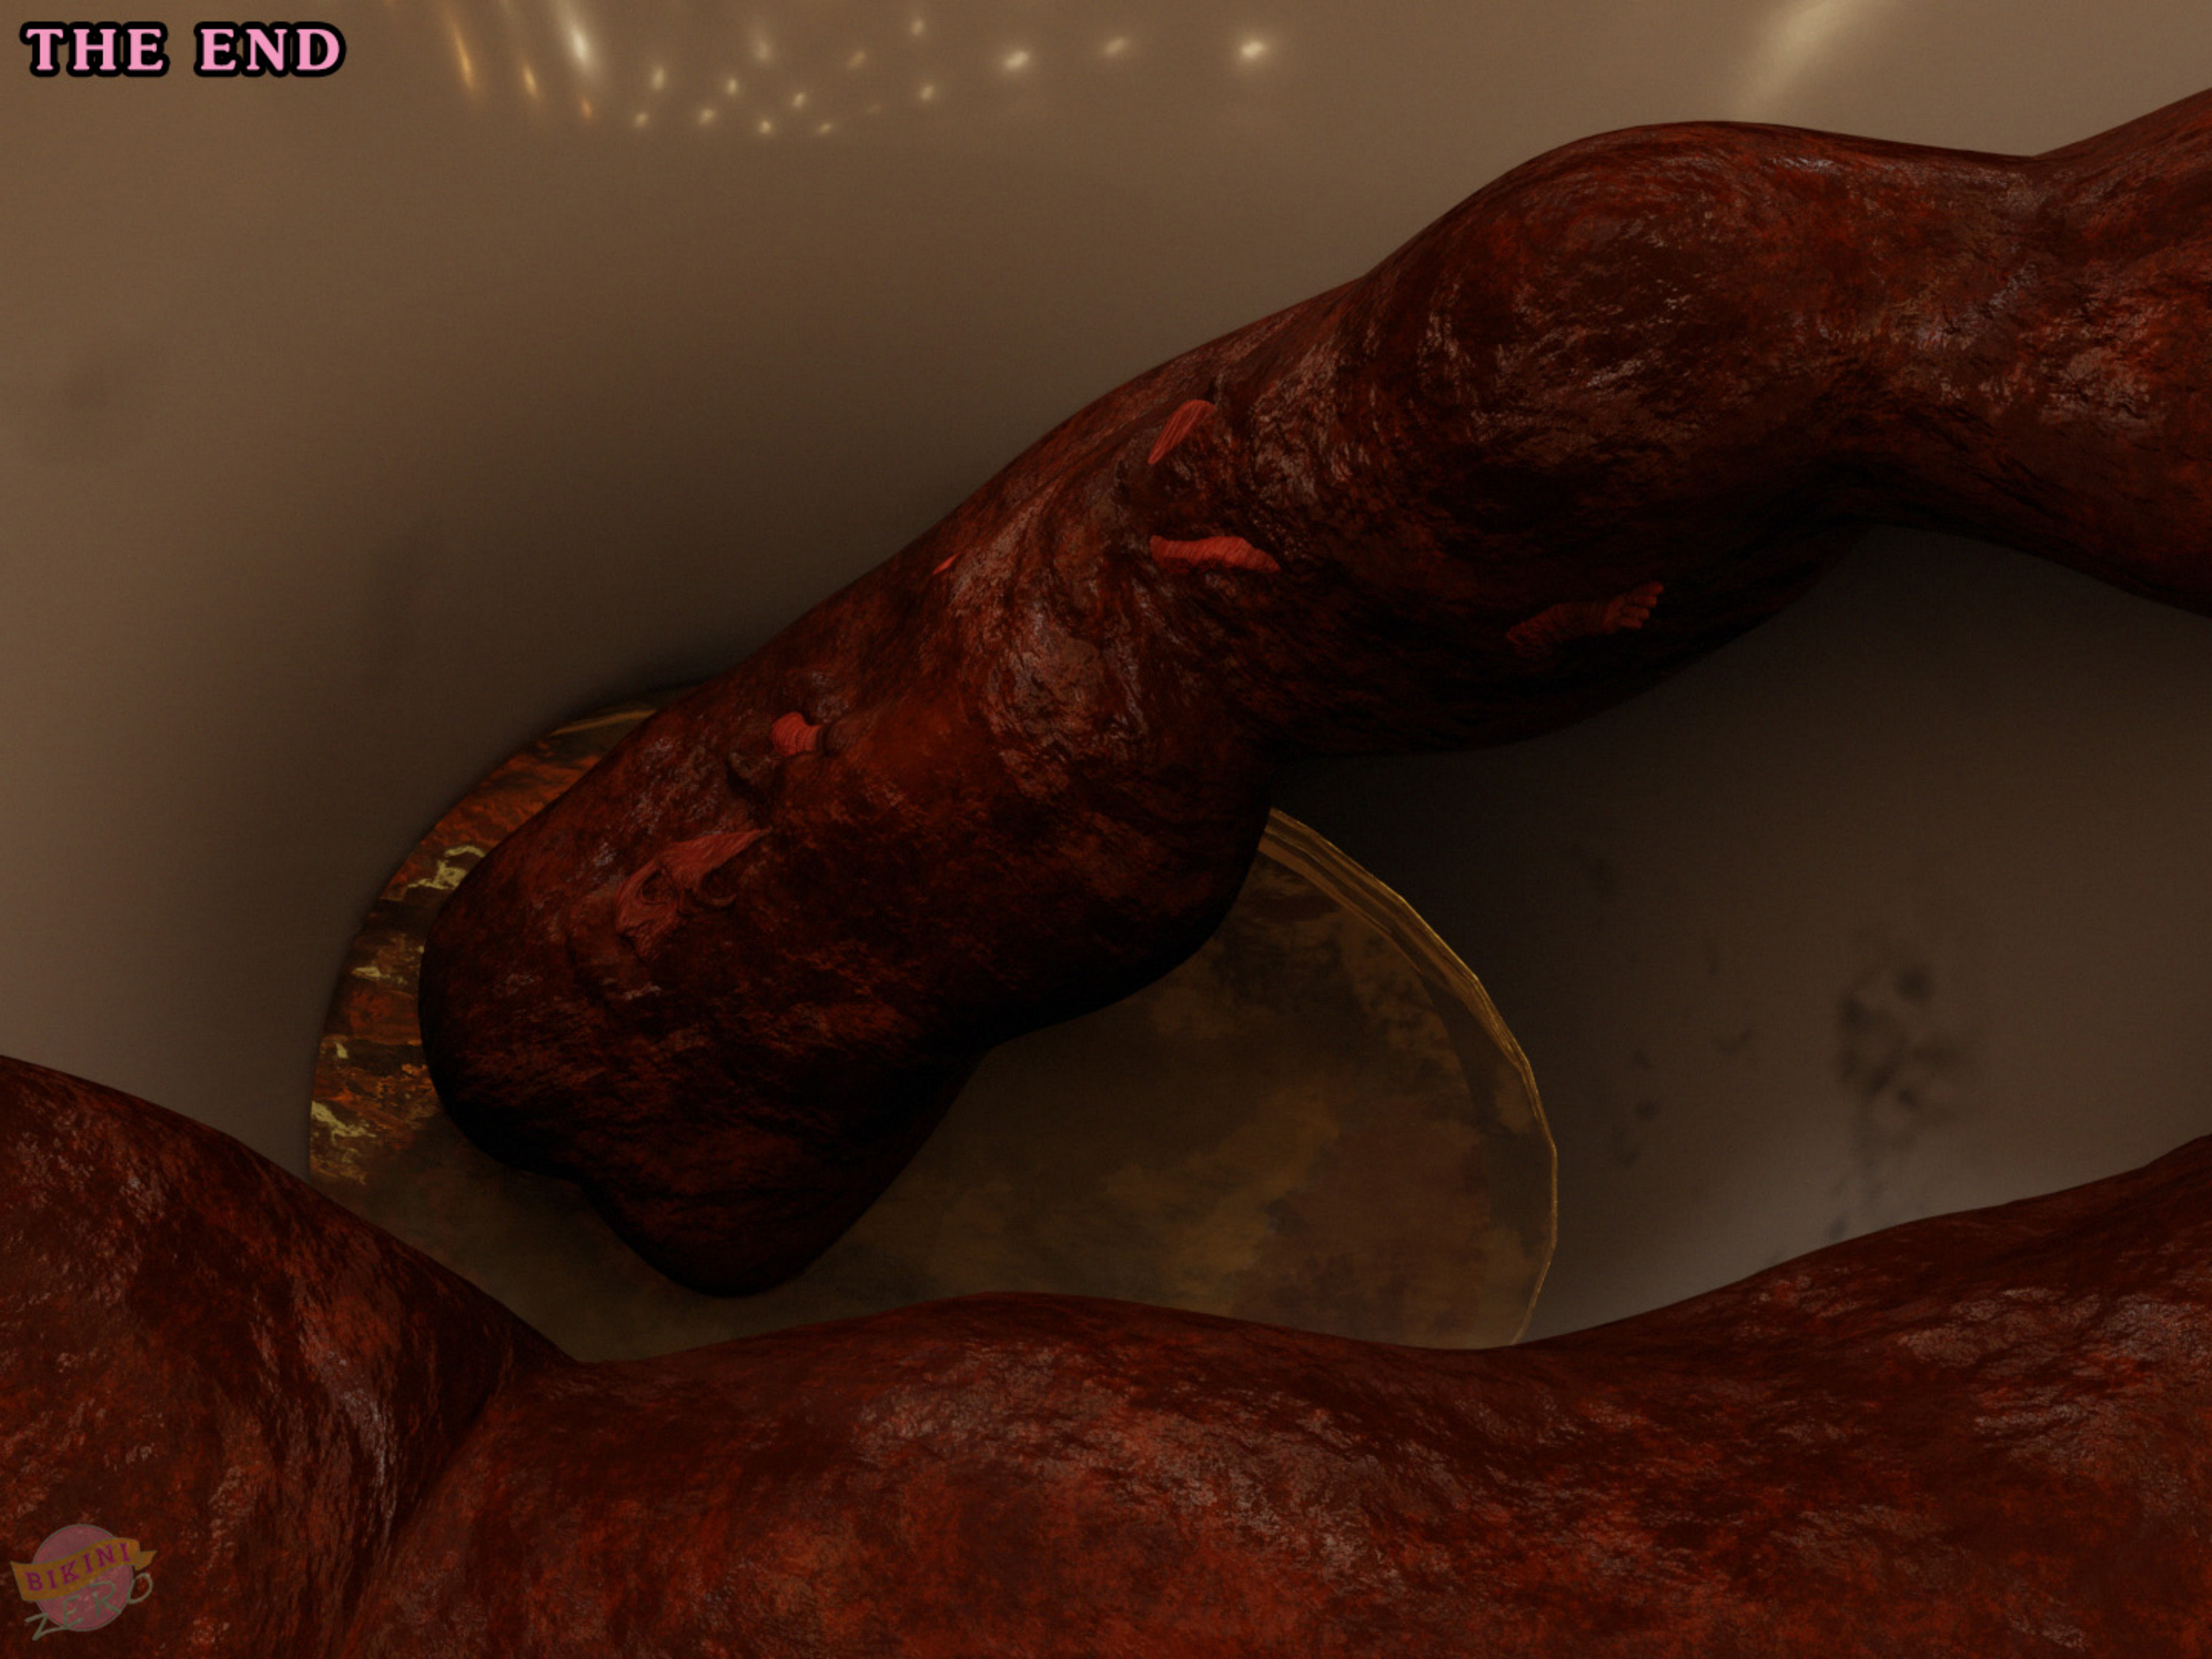

Huh? Why?

This one is out-of-order.  
I doubt this thing  
will flush

Oh my God!  
You are so nasty!

**THE END**

out with the old  
FACESITTING, SMOTHERBOX, FARTING, SCAT EATING

Ewww...

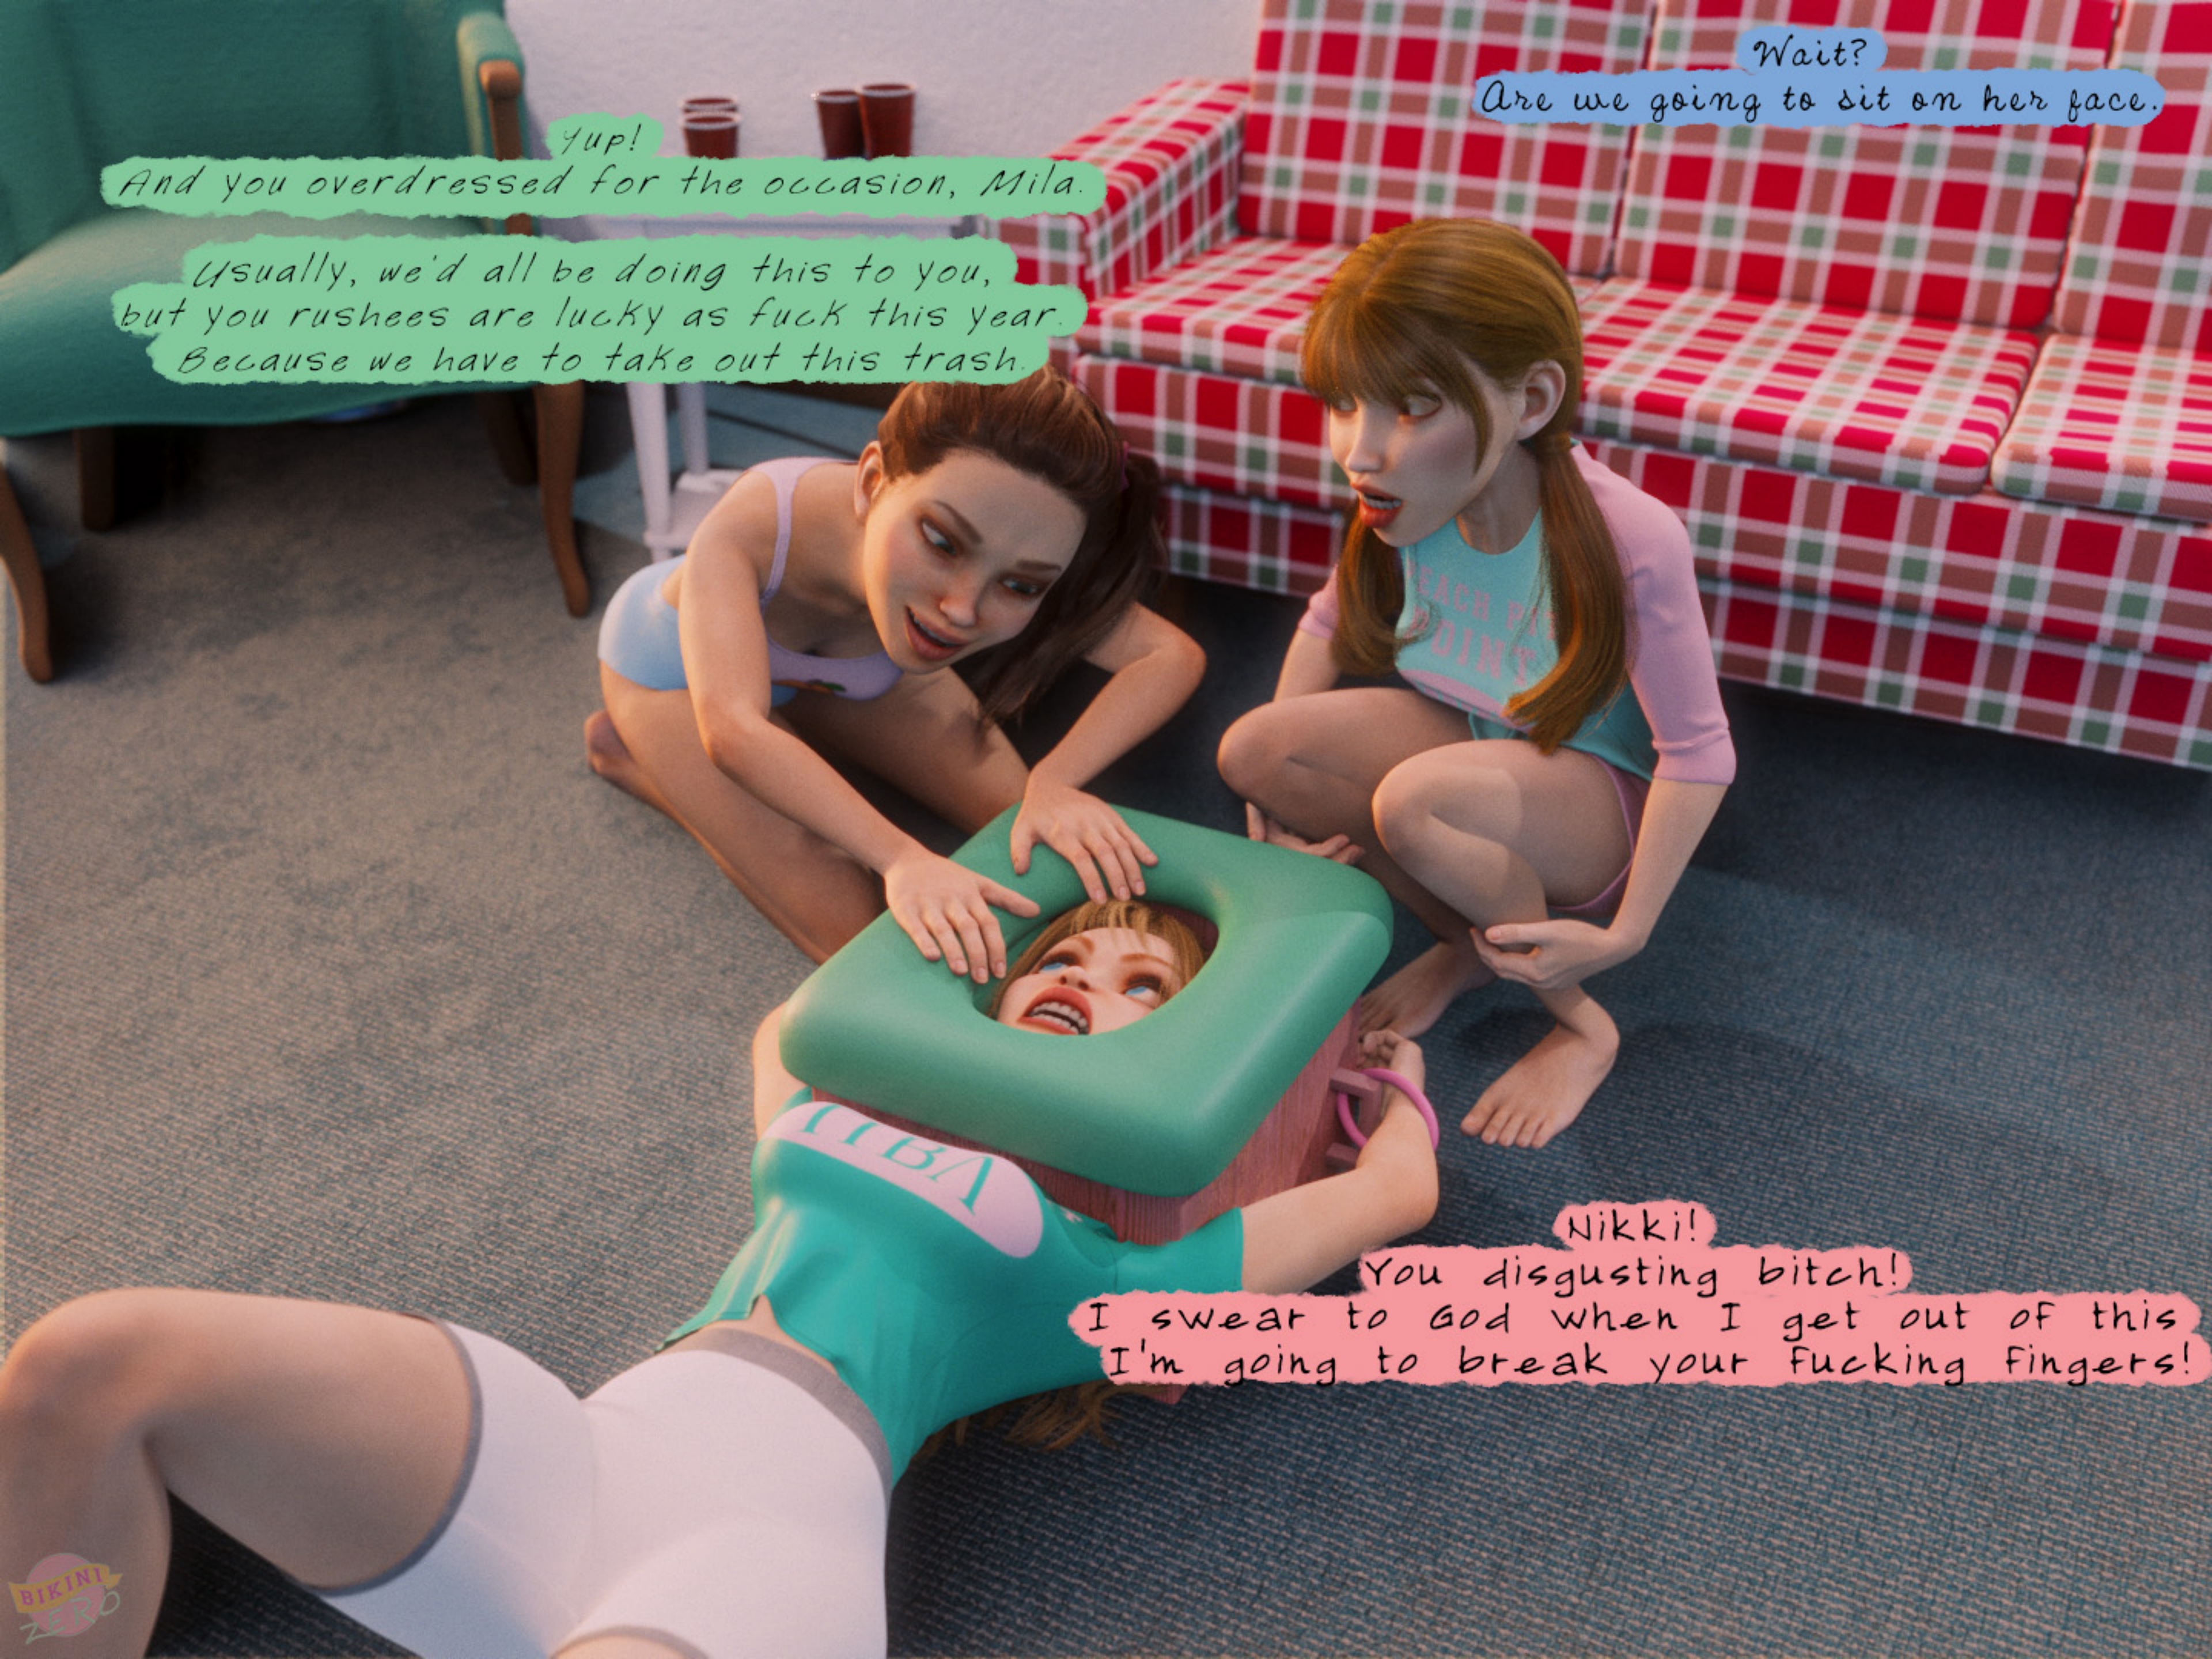

Wait?

Are we going to sit on her face.

yup!

And you overdressed for the occasion, Mila.

Usually, we'd all be doing this to you,  
but you rushees are lucky as fuck this year.  
Because we have to take out this trash.

Nikki!

You disgusting bitch!

I swear to God when I get out of this  
I'm going to break your fucking fingers!

*I'm assuming this is your first time sitting on a face.  
And I know it won't be your last,  
so get on the couch and pay attention.*

*Damnit Nikki!  
I'll fucking kill you!*

Oh my God!  
That looks painful.

Okay, so...  
Don't do this. It's uncomfortable for everyone involved.

But this bitch almost broke my nose when  
I joined Pi Beta Alpha.  
So... I'm just returning the favor really quick.

Ahhhh! God!  
Get off me!

Don't use your full weight.  
You want her to be able to breathe just enough  
so that she can smell your ass.  
Trust me, you'll know if you're doing it right.  
It tickles a lot at first.  
But then you'll love it.

Anytime you have to smotherbox somebody,  
you'll probably want to wear panties that you're not too attached to.

Oof  
And here's why.  
Grab her legs.  
She's not going to like this

Hold her legs tighter.  
She'll calm down in a second. They always do.

Eww...  
That's going to smell like pure shit.  
Sorry Madam President Kelly.  
Well, FORMER Madam President

Oh, I didn't know we were going to...  
pass gas on her too.

"Pass gas"? That's so cute.  
Just say 'fart'.

Hell, I just sharted on this bitch's face.  
About took a shit on it.

I promise you.

You'll lose that cuteness very fast in Pi Beta Alpha.

Nikki! You are fucking dead!  
Every sister in the state, all of them.  
We're going to fucking murder-

Is this okay?  
Can I sit like this?

Oh! Look at you just getting in there.

Hmm...

Make sure you cover as much  
of her mouth as you can.

That way she has no choice but  
to breathe through her nose.

If she tries to hold her breath, just sit longer.  
She'll have to breathe it in eventually.

Like this?

Perfect!  
Can't hear her annoying  
voice anymore.  
Wow...you catch on quick!

Hey Kelly!  
Isn't she a natural?  
Remember when you were  
teaching me all this?  
you just sat on my fucking face  
until I blacked out...

Remember?!

Oh right. Can't talk.

Mila?  
Get back in that other position  
you get her nose.  
I'll get her mouth.

Oh!

My stomach just rumbled.

I think I need to...

Fart.

Finally!

This is my favorite part.

Put your full weight down until starts

kicking again.

Then lift up a little bit and rip ass right up her nose.

She'll eat that shit up so fast!

Count to 30 first!

**30 seconds later...**

*Always sit still a minimum of  
15 seconds after you fart.  
That way your victim can  
bask in the aroma.*

*I usually just wait until  
they stop screaming*

I think I feel another one!

Good! Me too!  
Drop your shorts this time!

OH MY FUCKING GOD!

Wait, how long are we supposed to do this?

Oh! Her night is just beginning,  
but she already knows that.  
She was the one who came up with  
this "excommunication" ritual.  
Ironic, right?

By the way, Kelly,  
thank you for adding in this next part.  
I've been dreaming about this so for long.

Yuck!

Why did she just start  
licking your butt like that?

Kelly? you really suck at this...

Oh! sorry Mila.

Yeah, she's doing it because she knows what happens if she doesn't...

She was the one who came up with that punishment.

Too bad she's getting it anyway.

Hope you're having fun down there.  
stupid bitch...

Ugh...  
I hate Fig Newtons...  
But they never fail to clean me out.

Shit!  
It's almost 9.

What happens at 9?

You really don't want to know.  
But we have to hurry up in here now.  
Grab the funnel.

What are we doing  
with this thing?

So glad you asked.  
We're supposed to feed  
traitors a "PBA Cocktail".  
But I have something else in mind

Whats a "PBA Cocktail"?

Again, you really don't want to know.

Jesus christ Nikki!  
You' can't be  
this fucking evil!

*I'm evil?!*

*You were the one who  
came up with all this shit!  
I'll have some big shoes  
to fill after you're gone.*

*Put the funnel in her mouth.  
If she spits it out, shove it as far down her fucking throat as it'll go.*

Okay, now... what the hell?

Put them in the funnel

I think I'm going to puke...

If you do, make sure it goes in the funnel too.

Arrggghhuurrrggghh!!

Squeeze it out if you have too.

No way!

Mila...  
you wouldn't want to  
disappoint the new  
Madam President, would you?

No no!  
I'll do it,  
But this is just way too gross.

God, you're so sweet and innocent  
I can't wait to corrupt you.

Ewww!  
Oh my God!  
I'm so sorry but  
I can't do this anymore!

You can stop now Mila.  
Go get the other sisters.  
I'd like some privacy with  
former Madam President here.

*I don't even want to be here right now.*

sabrina back here taking a shit!

GIANTESS, ORAL AND ANAL VORE, PARTING, DIGESTION, DISPOSAL

sabrina the sandwich witch  
GIANTESS, ORAL AND ANAL VORE, PARTING, DIGESTION, DISPOSAL, BUTT-ENTRAPMENT,

shut up!  
she's coming back.  
Just stay here!  
I'm going to get help.

Wait!  
Please!  
Don't leave us!

Hopefully all this extra lettuce helps this time.  
You tiny chicks always get me so backed up for some reason.

Hannah!

Get us out of here you bitch!

Oh shit, shit, shit...

Oh?

Oh shit is right.

I packed and wrapped this sandwich up perfectly.

How did you get out?

Well shit, I can't put you back in it.  
You've been walking all over this dirty table.

But don't worry!  
I have someplace nice and cozy for you.

Just warming it up  
back there for you.

Pretty sure some of that is  
your friends from a few days ago.  
Guess they're still hanging  
around in there somewhere.

And these two ladies will be joining the party shortly.

Also, blondes give me some hellacious gas so...  
I'm really taking one for the team here.  
Hope you appreciate that.

Please Jesus!  
Help us!

She is losing her mind in there!  
So much for you two not making me gassy.

Oof. See?  
I swear, it's not my fault.  
Don't worry.  
She'll settle down  
and digest in a few minutes.

They always do...

Okay...  
The screaming is getting  
annoying now.

I'm just gonna put you in here  
until I'm done with my sandwich.  
That okay?

Oops... Sorry, again.

Hope you go down  
easier than that other chick!  
Tell her to chill out  
when you get down there?  
Thanks!

FUCK YOU!

I hope we give you the shits, bitch!

Me too, honey.  
That's the best part...

You know?  
That might have been the  
second best sandwich I've ever had.  
At least it was better than the last one  
that has my guts bubbling so bad.

Oof... Sorry again! It's crazy!  
How are they so loud?  
Hope these two getting  
fucked in my stomach are  
quieter on their way out.

Ugh...  
And I hope they smell better.

Hello?  
Hannah?  
You still alive in there?...

Sabrina!  
I hear you in there.  
Please don't clog the toilet again!

Too late.  
Should have told me before I came in here.

Oh!  
You're gonna have fun with this one.

Dammit Sabrina!!!  
I'll get the plunger...

Oh! Gross!

I totally forgot I shoved you up there!  
That must have been a TERRIBLE way to go.

Well, at least you girls are back together now.

And don't worry!

I'm sure we can find some people to cover your shifts!

You lovely ladies have a nice swim!

WOK of life  
SHAMESS, FORCED FEEDING, BUTTCRUSH,  
ENTRAPMENT, PARTING

SUCKS for her IC

Doesn't this smell yummy?  
I love Chinese food so fucking much.  
Are you hungry?

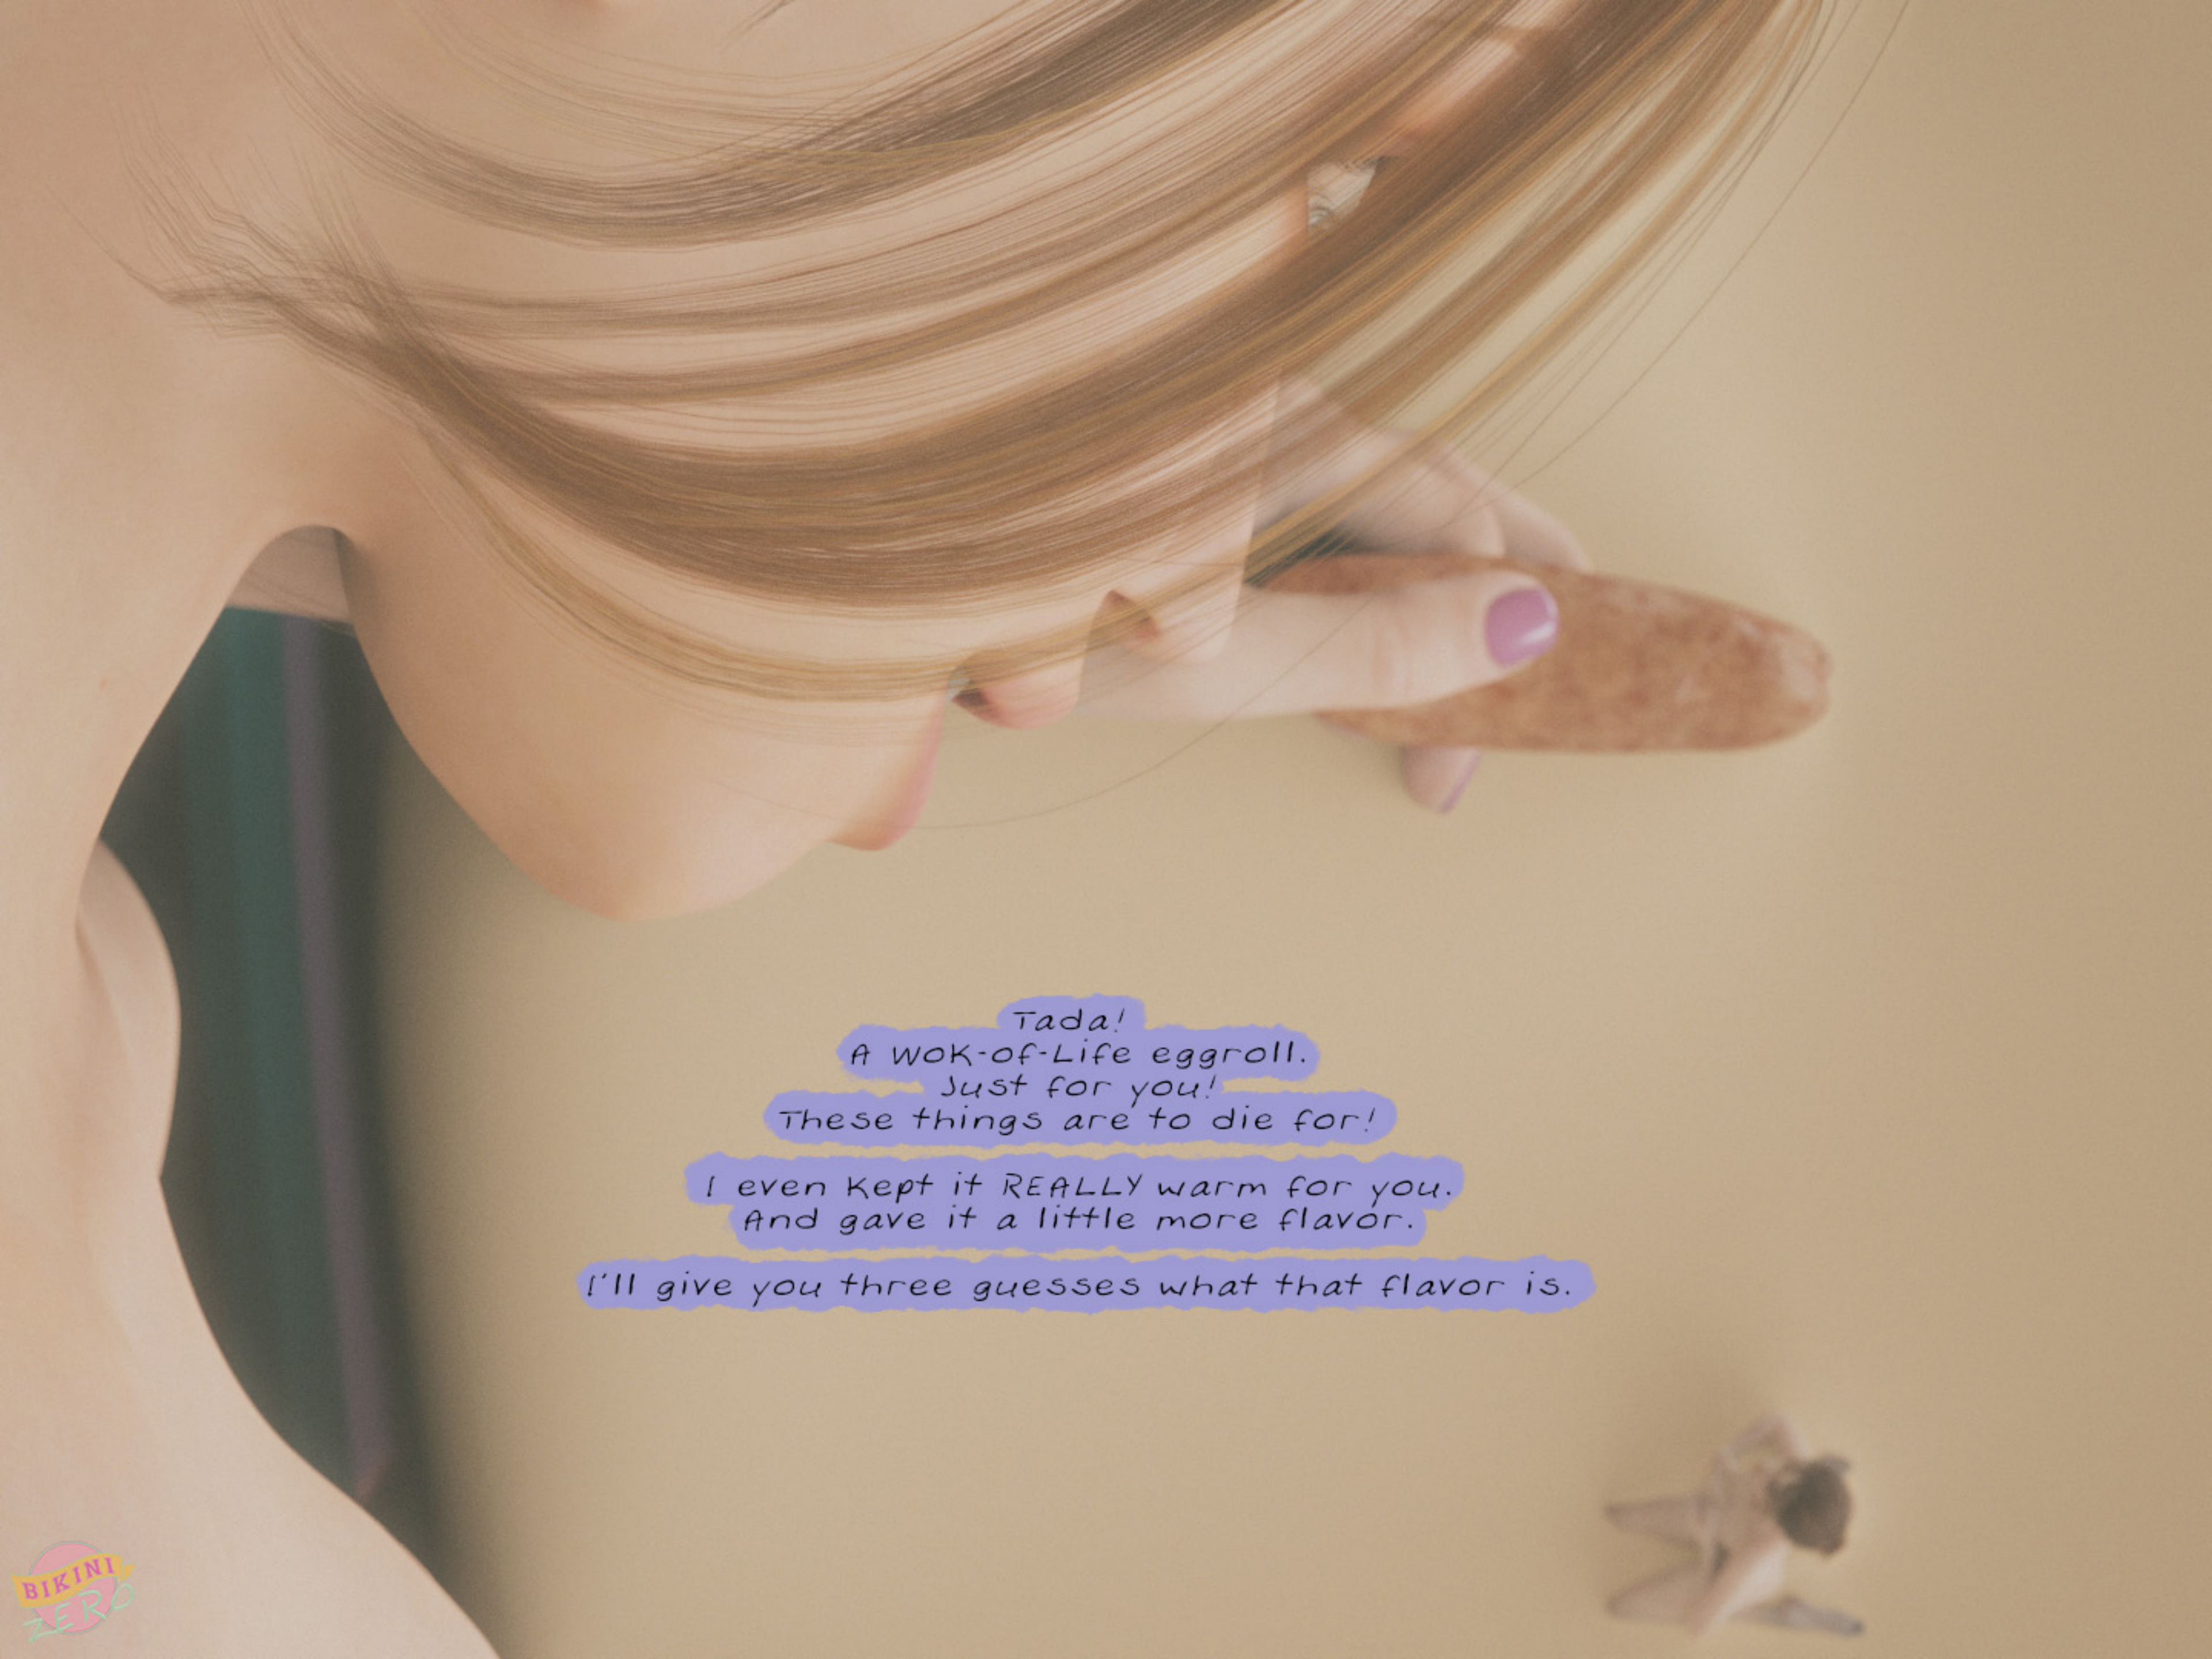

Oh God! Please no!  
Don't fart in my mouth again.  
I'll do anything.

Aww! I thought you loved those?

Whatever.  
I emptied the tank  
during my walk anyway.  
Worked up a bit of a sweat too.  
Even though it's chilly outside.

But... I got you something too.

Tada!  
A WOK-of-Life eggroll.  
Just for you!  
These things are to die for!  
I even kept it REALLY warm for you.  
And gave it a little more flavor.  
I'll give you three guesses what that flavor is.

Now...  
Eat it...

No!

I said "Eat it!"

No! I don't want it!

Whats wrong?  
You don't like the spice I added to it?  
Or should I add a little more?

Hey bitch! I'm talking to you!

You're going to eat this eggroll  
one way or another.

It'll be waiting for you in the morning.

Do you know how many people would kill to eat my spicy eggroll?  
Whatever.  
I'm going to sit here and eat my lunch.  
You can keep me company.

Wait!  
I'll die!  
Danielle! Don't!!!

Make sure your nose is pointing up at me this time.

I want to feel your cute little sniffing right in my butt crack.

You're better under there anyway.  
You won't want to miss what the  
beef and brocolli bowl does to me.

It's pretty gnarly.

*Dani? Are you still awake?*

*It's so hard to breathe in here.  
Please let me out. Please!*

\*Gags\*  
Oh God!  
HELP!!!

*I'm choking!  
Let me out!  
Danielle!  
Please!*

*a feast of friends*  
GIANTNESS, VORE, FACESITTING, FARTING, DISPOSAL

Oh God no!  
Not like this!

Gops..

Almost forgot you were down there.  
Your friends were absolutely delicious.  
Do you have anymore?

\*Gulp\*

If not, that's okay.  
I don't want to be greedy.

Aaaawww!

I think they miss you already!  
They're so eager to say hello!  
I'd hate to keep you three apart.

Besides...

They weren't all that filling....

Oof. Excuse me!

Your friends are talking  
out both of my ends.

Let's hurry up and get you to them!

And I'll see you ladies tomorrow!

Not too bad.

So happy you all didn't upset  
my stomach like those other girls did.

I really wish we could do this again.

Oh well...

OMG!!!!IBARF!!!

Survival of the sh!ttest  
GIANTESS, ENTRAPMENT, PARTING, SCAT-ENCASEMENT

I know I saw you run in here.  
The smelliest place in Peach Pit Point University.  
well... one of them.

I will never understand how you  
little things are so fast!  
Just come out already.

I know you don't want to be running  
across this nasty floor.

Do you?

I have somewhere a little less dirty  
where you can hang out today.

Your little friend is already back there waiting for you.

Cara!  
Oh God!  
Get me out!  
I can't breathe!

Cara?  
Is that your name?  
Well hey Cara!

You should come out  
so I can properly  
introduce myself.

You don't want your friend to spend her first day all alone, do you?  
I mean, better for you two to be together with me than for some other girl to find you, right?

Ha! Gotcha bitch!

oh...

Sorry Kenzie.

Ewww...

Are you wearing a picnic blanket?

What are you doing?

Get out of here!

Did you see a little troll run in here?  
Blonde chick?

No, I haven't.

You hiding in here?  
Probably for the best.  
Everyone is hunting for Fresh Meat today.  
Big and tiny.

Hannah!  
You know I'm not a freshman!  
Now get out of here!

Geez.

Calm down.

If you see her, tell her that  
I have her friend digging around  
between my ass cheeks.

I hope she lasts most of the day.

The girl I caught last year  
didn't even make it to lunch.

well, it was nice meeting you, Cara.  
Really wish we could have gotten closer though.

You going to say goodbye to your friend?

And how about some breakfast for the road?

AHHH!  
NO!  
CARA!  
PLEASE MAKE HER STOP!  
PLEASE!

I see you behind the trash can.

It's okay.

The coast is clear now.

Oh.  
Th-thank you.

Don't mention it.

I'm hiding too.

Haven't been a freshman for three years,  
but I still get someone's ass on my face the first day back.

Do they ever stop?

Not really.

The Fresh Meat Hunt is a year round thing.  
But they get bored after a week or two  
and you won't have to worry as much.

I have to get Paula back!  
She didn't even want to come here today  
because she was so scared.

This is my fault!  
What can I do? Please help me.

Oh, I am so sorry.  
But don't expect to see  
your friend again.  
You tiny people never survive  
the "Pressure Cooker".  
A Peach Pit Point classic.

You can't be serious?  
They wouldn't really kill her, would they?

In a few hours,  
your friend is going to wish she was dead.

I've seen what goes into the  
volleyball team's breakfast smoothies.

Eww...

Oh no!

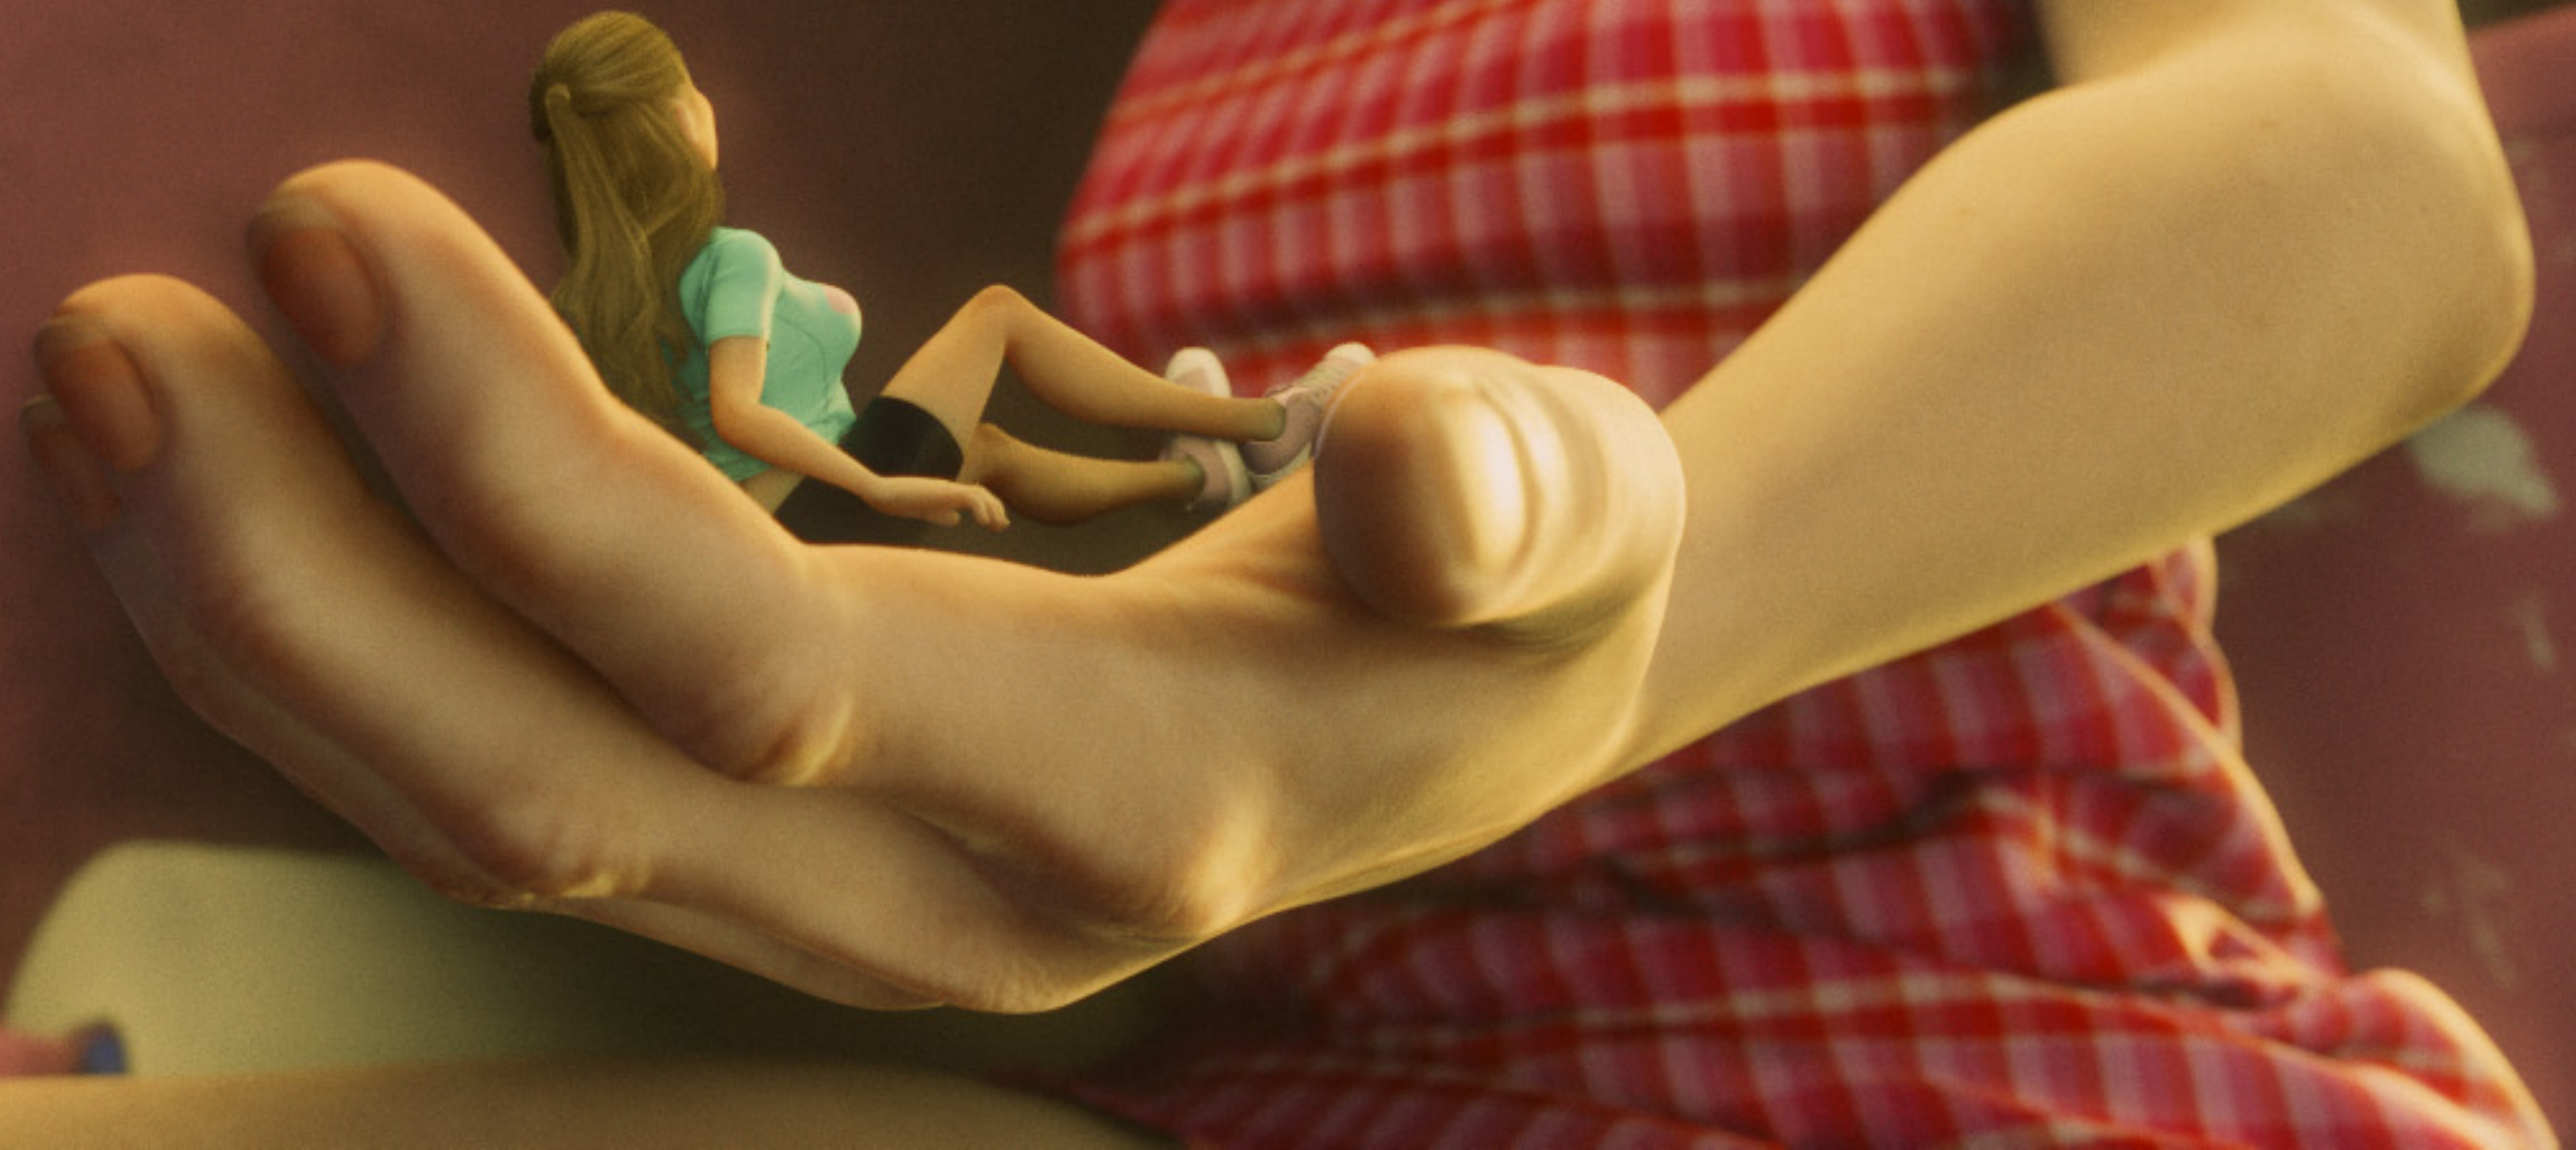

Paula, I am so sorry!  
This can't be happening.

It's okay though.

Well, not for her, but you'll be fine.

You can hang out with me today.

It'd be safer than going alone.

Oh shit... I just want to go home.

My next class is in a few minutes,  
but I can hide you somewhere.

Or you can hang out in my locker until the day is over.

It'd beat riding around in some sweaty ass crack.  
I've seen a few of you people get swallowed alive too.  
And your odds of surviving that are exactly ZERO.

You're right.

I'll stick with you for the rest of the day.

Maybe we can figure out a way to get Paula back?

I seriously doubt it...

But it would be amazing  
to catch three of you little things in just one day.  
I'm pretty sure that's some kind of record.

Huh?

I was wondering if one of you people would be dumb enough to just walk into my hand without a fight.

I can't wait to tell everyone that you willingly became my ass eater.

And you'll be my second one today too...  
The first one is about to come out right now.  
Wanna see her?

YOU SICK BITCH!!!

I probably shouldn't have shoved her so far up there.  
I promise I'll be gentler with you.

It hurts so much.  
Make it stop.  
Just make it stop...

Is she actually talking?  
It's been four hours!  
How is she still alive?

Well, she won't be for much longer.

PLOP!

And there she goes.

That was a pretty nice shit.

A little smelly, but healthy and firm.

Do you think she'll drown before or after I flush?  
She's really good at holding her breath, apparently.  
Maybe she'll even make it to the sewers?

Oops!  
Sorry!

Oh!  
Perfect catch!

I guess that kinda sucks  
for you though, huh?

Hey!

You should ask me how I know what the volleyball team puts in their breakfast smoothies.

It's a funny story.

You liar!

You promised you would help me!

Oh I will...  
We're going to help each other!

I saved you from the rotten Hell that is Hannah's morning gas

And now that I'm running late,  
you're going to save me some time by wiping my ass for me.  
With your FUCKING FACE...

I promise, it's a better deal than what your friend got.

NO!!!  
YOU WHORE!  
YOU FUCKING WHORE!

Now that's not a nice thing to say!

You sound a little cranky.  
I think you might need a nap.  
This will help!

That was so loud!

Good thing we're alone, right?

I know you don't believe it,  
but Hannah's really are so much worse.

Oh, and just a warning.

Stay quiet during class.

Or you'll be apart of my next shit.
