It's not my fault that your money belongs in my wallet. Deal with it. It's fate.

It's been said that no matter how hard you try, no matter how far you run, you'll always end up running towards your fate.

I'm sorry. The game just started. You haven't missed much. Why don't you go clean up and change into your Football Funday outfit and I'll order pizza. Okay?

Now go and get ready. The more time you waste, the more you miss the game.

It's said that no matter what you do you can never escape your fate. You could make all the right choices, plan every day to the exact minute and smallest detail, yet after everything is said and done, it all ends the same way. It's also said that every choice you've made another you in another universe decided to choose the opposite. In this infinite multiverse of choices people are able to find solice knowing that somewhere out there in a different life they made the better choice. Knowing that somewhere in the infinite multiverse, they were able to escape their fate. . .

Family Funday!

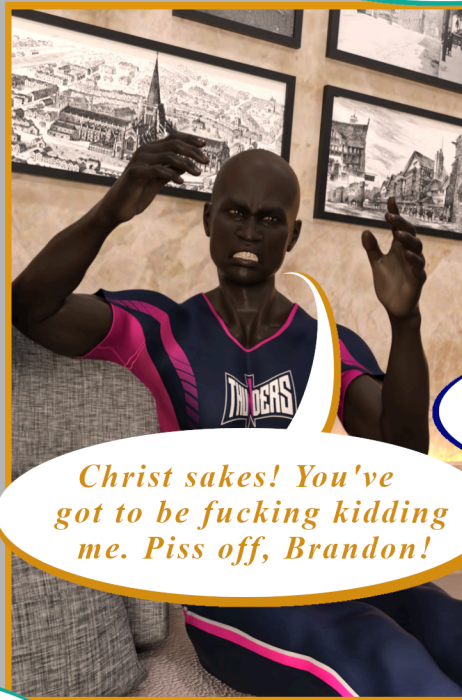

TOUCHDOWN!!

FUCK YEAH, BITCHES!

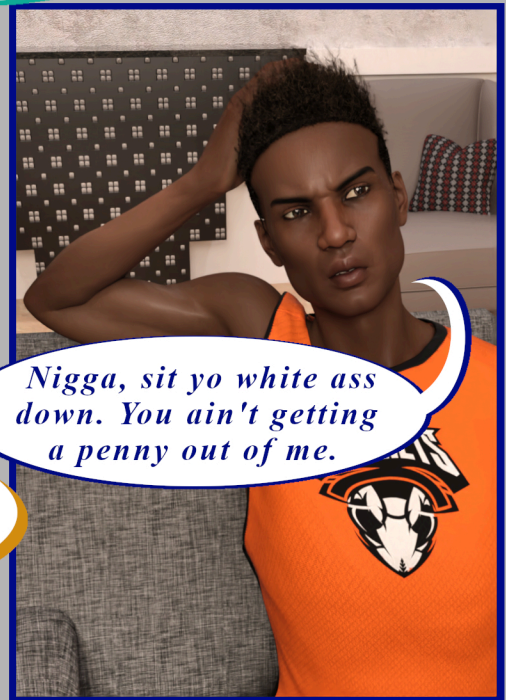

WHAT THE FUCK!!!

That's \$1500 from each of you!

How the fuck did you call that play, Brandon?

Christ sakes! You've got to be fucking kidding me. *Piss off, Brandon!*

Nigga, sit yo white ass down. You ain't getting a penny out of me.

Listen, All I know is that I just made \$4500 off your chump asses.

Yea, whatever.

Don't get too cocky, the game just started.

You better get off your high horse cause this aint over yet.

It's not my fault that your money belongs in my wallet. Deal with it. It's fate.

It's been said that no matter how hard you try, no matter how far you run. You'll always end up running towards your fate.

Hundred bucks says the Thunders lose this game.

I'll take that action.

Dad, I'm home!

Welcome home, Sweetie!

Hi'ya, Daddy!

Well, if it ain't my favorite niece.

Hmm...

Come here my little princess, How was your day?

It was boring, all I wanted to do was get home as soon as possible!

Careful!

Woah...

She's a cutie..

Just look at how much you've grown since I last saw you, Little Bean.

Uncle Lenny, I'm no longer a baby! I'm all grown up.

Ain't that the truth. Barely even recognized you. You've matured into a true beauty, just like your mother.

I forgot how big Uncle Lenny's hands were.

Awe, that's so sweet of you to say. You really mean that, Uncle?

Of course, Little Bean.

Hey, fellas. Come say hi to Little Bean, come say hi and meet my cute baby neice.

Uncle, I'm not a baby anymore!

Oh no! I didn't know that we'd have guests...

Shes a little shy and timid when meeting new people, but she's harmless.

DAAAAD!

Hey there, I'm Daniel. It's nice to meet you.

Woah! She's stacked...

Wow, they're really, really tall!

Um, hi... I'm Brooke.

It's a pleasure to meet you 'Little Bean,' I'm Roy.

Damn. Who knew Brandon had such a hottie for a daughter.

I'LL BE RIGHT BACK!!

Tell me about it. That one really takes after her mother.

I've gotta say, you've got quite the handful with that one.

I'd like to meet this wife.

Ha! I was just thinking the same thing.

Where's your woman at? Why aint she here with the boys, enjoying the game?

Oh, Lorelei? She's out with the twins she'll be back later.

Ring! Ring! Ring!

I could barely keep my eyes off her...

I cant believe dad forgot about me!

Why did he have to have guests over?

This is really tight!

Mr. Goldbloom... Yes, of course I have the files ready... But they wont be here till next week... TODAY!?!? IN AN HOUR!! I'll be right there!

I've got a bad feeling about this...

This cant be good.

I am so fucked...

Len, I need you to drive me to the office, right now!

Fuck that, drive yourself.

I know I can always count on my brother...

I kenw it!

I cant! My car is in the shop and Lorelei has the van with the twins...

so nervous... only it was just dad and Uncle Len...

Isn't this skirt is a little short...

This is fucking horse shit!

Hey, you nigga's just gonna leave us here?

Should we leave? We can always do the next game...

Stop complaining, how many times have I covered for you? To this day mom still thinks~

Every single fucking time!

Dont remind me...

No need, this shouldn't take too long. Just enjoy the game and the beers. We shouldbe back soon.

I hope this looks good on me...

I don't want to look stupid...

Maybe I should have picked a different outfit...

Well, this is awkward. Our ride just left, should we call an uber?

Relax homie. They said that it wouldn't take too long. Let's just enjoy the free beer and food.

It's just weird being alone in someone else's house without having the host around.

I know what you mean. Let's just enjoy ourselves in the meantime.

Can't believe we owe Brandon \$1500 each.

Fuck that, I'll win my money back one way or another.

DAAD! I'M READY!!!

Hey, Where'd everybody go?

Oh, um...

Isn't this a nice treat.
