

This feeling of tranquility like a breeze from the sea, as if a single raindrop tickled the surface of a lake making only a faint ripple.

How out of Character of him...

Why's that Granpa getting poetic now?

IT'S HIM!

Oya~,  
this feeling of  
raging passion,  
like a hammer  
striking hot iron  
on a stormy  
summer day  
--

That  
must be  
him.

Ah.

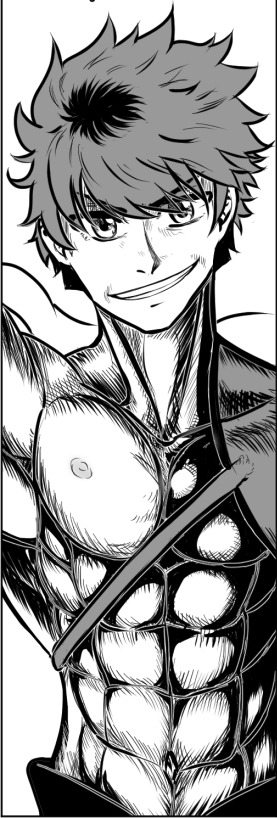

**THERE'S NO  
MISTAKING  
THAT AURA OF  
CALMNESS!**

Despite the  
change in  
appearance,  
that passion  
and flame is  
unmistakable--

That Happy Go  
Lucky Attitude  
can only belong to
