

Yo, have
you noticed
something off
about Fran?

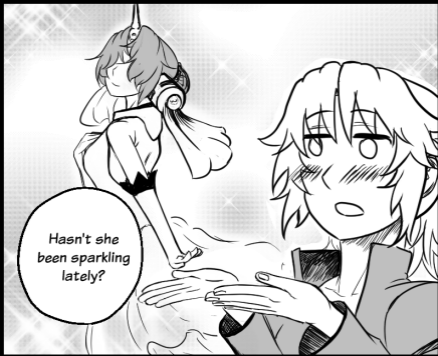

Huh?

Like
What?

Liiiiiiiiiiiikkkkkee.....

Hmm

...

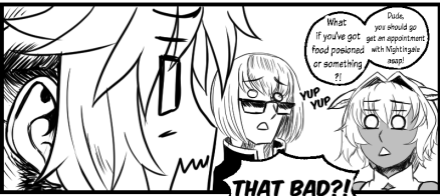

Any other
symptoms?
Take better
care of your
Stomach Mo.

Lately when
I'm with Fran,
my heart goes all
warm and fuzzy
and it feels like ants
are crawling in
my belly...

**OH SHIT!
THAT SOUNDS
SERIOUS!**

What if you've got food poisoned or something ?!

Dude, you should go get an appointment with Nightingale asap!

YUP YUP

THAT BAD?!

Yo, did I miss anything here?

Maybe we should tell the kitchen crew to stop Bedivere... or at least to stop Mo from eating his dishes, this might influence the kids in a bad way.

Remember the time when you almost choked on that Spinal Fluid Spaghetti because Bedivere didn't bother to tell you?

Oooh!
That one was a riot! We had to pull you away from Fran before you bit onto her horn! You shoulda seen the look on her face! Hahahalll

How long are we going to let them simmer?

Until it gets painful enough to get our fill of their misery.

Oho, how long until it gets to the boiling point?

I'll give them a year until most of Chaldaea lost their patience and we'll get to see the first people trying to murder them or better

My, my ♡
