

'Member when I told you about my strange health issues when I'm around Fran?

Yep!

Heard from Achilles that he saw you near Nightingale's Office.

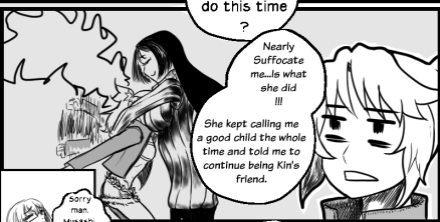

What happened there?

Kin: what did the Boss do this time ?

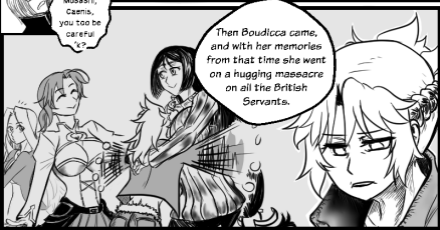

I was on my way there when... Raikō happened ...

Nearly Suffocate me...Is what she did !!!

She kept calling me a good child the whole time and told me to continue being Kin's friend.

Sorry man. Musashi, Caenis, you too be careful 'k?

Then Boudicca came, and with her memories from that time she went on a hugging massacre on all the British Servants.

...  
and joined up  
with Raikō,  
almost finishing  
me on the spot!

Instead of  
helping me,  
she didn't  
bother coming up  
with a reason  
...

**DUDE!  
HOW ARE  
YOU STILL  
WITH US?**

-...ONLY  
TO SUFFOCATE  
ME HERSELF!

Not helping my situation  
was when Irisviel  
came to pry me away  
from them ...

And then  
she kept  
calling me a poor  
little Hedgehog!!!

Can you  
believe  
the gall?!

I'm thankful  
that she got  
me outta that  
death trap but...  
**WHAT PART OF ME  
LOOKS LIKE A  
\*\*\*\*ING  
HEDGEHOG ?!**

**OH SHIT:  
I CAN ACTUALLY  
SEE IT NOW**

New Origin Unlocked:

**Mordred, the Hedgehog**

What was it  
like being  
sandwiched  
by a living storm  
and the instigator  
of the British  
Hug Incident  
?

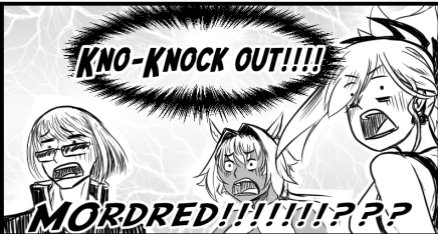

Just out of  
curiosity:

Oh!  
Hey Fran,  
nice  
dress—

Dunno,  
I was mostly  
occupied with  
staying alive  
—

tbc...

ALL I WANT TO DO  
IS DESTROY THIS  
ROTTEN DEADLINE.
