

**GET OUT  
OR HIDE  
SOMEWHERE  
!!!**

**WHY?**

**KINTOKI!!**

Gotcha,  
get in.

Lift!

BEDNERE  
IS ON HIS  
WAY HERE.

No prob,  
But what  
got you running  
man?

THANKS  
KIN...

I saw him  
exiting  
the main  
Kitchen...

And Benienma's  
.exe stopped  
working.

Emiya  
way  
crying...

Adding Insult to Injury,  
he is accompanied by  
four members of the  
Innocent 7...

**WE'RE DONE FOR.**

Us being  
the only  
sacrifices  
should  
suffice.

Mordred,  
get your  
ass outta  
here...

Why dafaq  
are you-

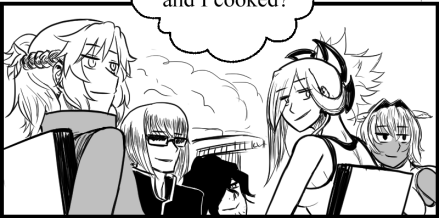

Think about it.  
Every time you  
eat one of Bedi's  
meals you end  
up in the hospital  
or clinging to  
Fran.

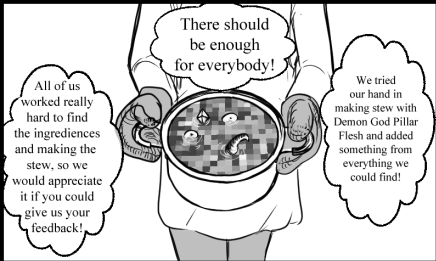

**BUT!**

Listen to us, buddy!

Greetings  
everybody!

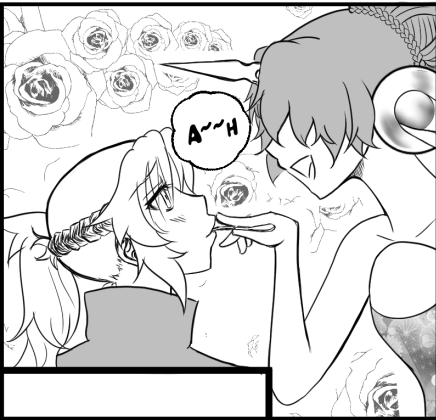

There should  
be enough  
for everybody!

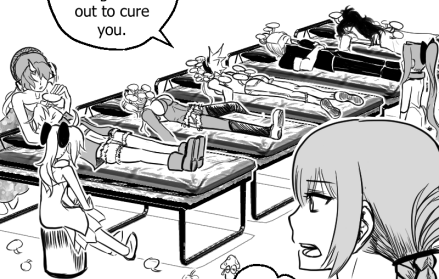

All of us  
worked really  
hard to find  
the ingrediencies  
and making the  
stew, so we  
would appreciate  
it if you could  
give us your  
feedback!

We tried  
our hand in  
making stew with  
Demon God Pillar  
Flesh and added  
something from  
everything we  
could find!

A~H

All of  
you remain  
here until  
we figure out  
out to cure  
you.

Strange,  
I could have  
sworn that  
this weeks  
receipe was  
even better  
...

Thank  
you  
Ilya.

Don't  
give up  
Bedi-sensei  
!

TBC...

A closer look  
at Nightingale  
from a different  
perspective.
