

Master told me
that my actions
were out of line
and I was
meaning to make
amends
with Nitocris.

WHY DID
YOU COME
TO ME FOR
THAT?!
SHOULDN'T
YOU GO
TO HER
?!

And since
you smell
like her and
you're friends
I thought to
ask you.

And since
you smell
of fear, I
don't need to
worry about
you running
away.

The Medjeds!

Every time
I try to she
disappears
and I have to
deal with
those angry
Bed Sheet
fairies...

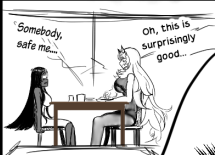

See those
fairies over there?
They've been
following me
since I got
here.

Nitocris...
Are you
overthinking
Barghest's
intentions?
Ah...I can
already see
a headache
coming...

ARE
THOSE
TWO...

**ON A
DATE
?!**
