

**DON'T POINT
YOUR THUMB
AT ME!**

This is the new
Berserker Mori Nagayoshi.
You probably remember
him from that Mess
during Septem.

You'll be
looking
after him.

**WHY
US?**

Ritsuka is talking with Caenis and Chloe about their Battle Tendencies.

Muashi and Izo managed to make Beni-enma cry and Gilgamesh was present.

Sieg and the others are on farming duty due to the recent event ...

YOU DIGGING MY MASTER? WUH?!

You should
go up against
Kin or me first

Before you
go up against
Sigurd here-

**THERE'S
A SCHEDULE
YOU SHOULD
KNOW BEFORE
GOING OFF
ON A
RAMPAGE!**

Thursday everyone of us challenges either Sigurd, Chiron or Hercules.

Monday's we go and trash someone's shop [mostly Ceasars].

Friday is cutting off Heads day. No keeping them tho since Master doesn't like it.

Tuesday we go farming on the fields.

Wednesday we run wild on Medea's figurine uprising. Even if they're plastic it still counts as a kill.

**HELL
YEAH!**

Ah, a fellow head hunter! Always glad to grow our numbers!

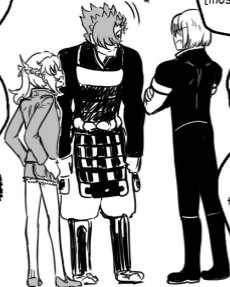

Saturday is try not to die day.

**HUH?
WHY?**

Farming Mats
.....

Sunday is our Relax day. How does that sound?

AWESOME!

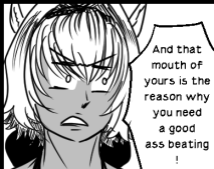

Explanation
for what
happened
in the last
couple
hours.

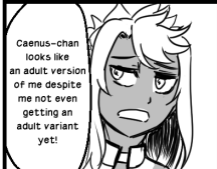

I hope
for all
of us
that you
two have
a good-

**OUR
CHARACTER
DESIGNS
OVERLAP
TOO MUCH.**

And that mouth of yours is the reason why you need a good ass beating !

Caenus-chan looks like an adult version of me despite me not even getting an adult variant yet!

You were explicitly chosen because Kuro doesn't see you as a "SNACK".

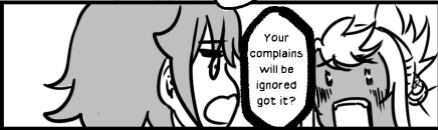

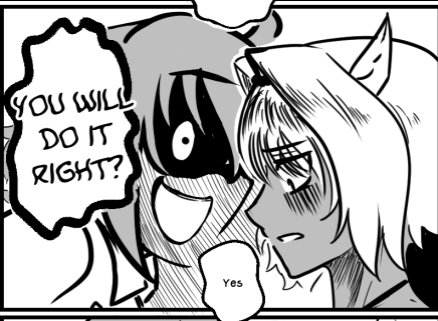

WHICH OF YOU IS THE ADULT?

But!-!

CHOSEN AS WHAT?!

Kuro's Babysitter.

Ah, Senpai!
Are you finished
with your
business?

Would you
like to join
me for dinner
?

Will you
step on
me after
that?

Of cours-

SENPAI?!
