

Ben and Frank

"Coming home from winter holidays"

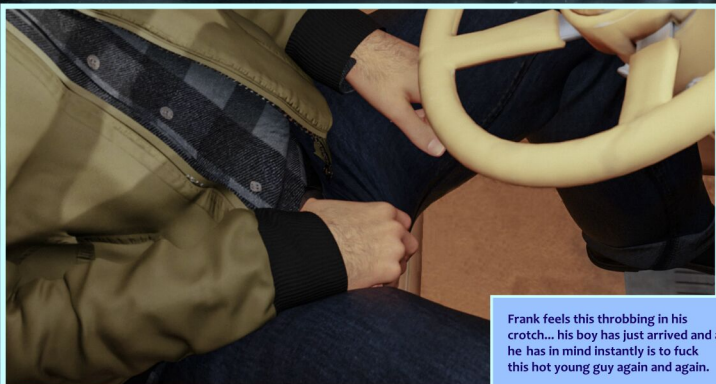

A fictional porn graphic novel for adults only. You must be 18 or older to read it. All characters portrayed in this story are 18 or older.

Content warning - the story is about consensual sex between dad and son.

Frank waits in the car. The parking slot is close to the station platform so he has a good view. He will see when the train arrives. No need to wait in the cold.

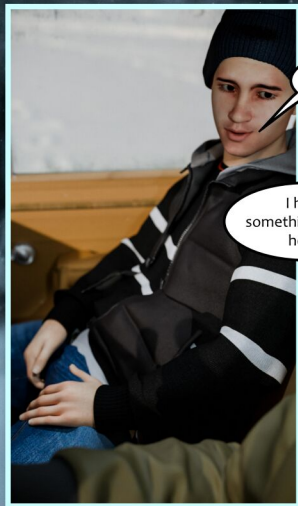

Ben was on Winter holidays with some friends and comes back home to his dad after three weeks.

Frank feels this throbbing in his crotch... his boy has just arrived and all he has in mind instantly is to fuck this hot young guy again and again.

After a warm welcome, they set off straight away and drive home. They talk about the train ride and Ben tells a few anecdotes from his vacation. However, Ben can't help noticing that Frank occasionally fumbles nervously with his crotch... his old man is horny for sure, just like him. You know... several hours in a jerky train and a young cock needs to play again.

Hey dad...

I have something for you here.

Hm?

Hmmm... I know you have, junior.

Let your old man see more of it!

Ben starts kneading and massaging his hard-on through his jeans. Frank has a hard time concentrating on the road while his son is giving him this show.

Ben unpacks his cock and presents it to his dad....

... who can't hold on to himself for long and reaches for his boy's hard-on and balls.

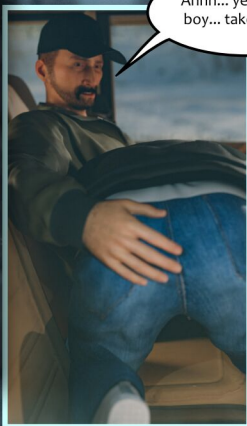

Ben checks his dad's crotch, Frank checks the rear view.

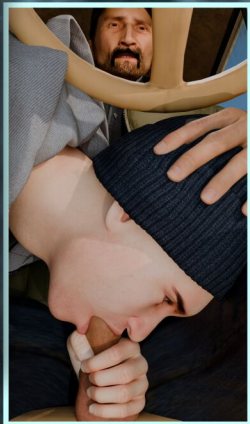

This is too much... when Frank feels his son's hand around his hard cock he decides that the ride home would take too long. He needs some relief... now! So Frank decides to make a stop in one of the many forest roads nerby. He knows by experience that they will be completely undisturbed there.

As soon as the car stops, Ben leans over to his dad. He really longs for tasting his dad's cock again.

Ahhh... yeah... good boy... take it deep.

It may be cold outside but it gets hot in the car.

Hm... junior... slow down... or I may bust a nut very soon.

Let dad feel you, junior... show me what you've got there.

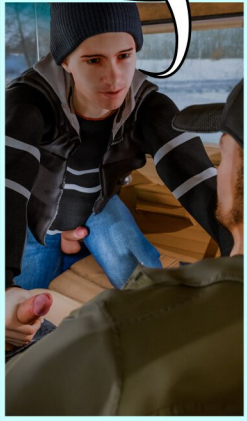

That's a cock, junior.

I know who I got it from.

I want it so bad, old man!

Frank really appreciates the dedication with which his boy takes care of his cock. After a while he decides that it is time to take care of his son's hole.

Do you feel it, junior? Do you feel dad's cock?

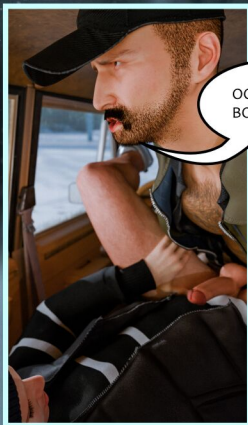

Fuuuckk... daaad... I feel it, oooohhh

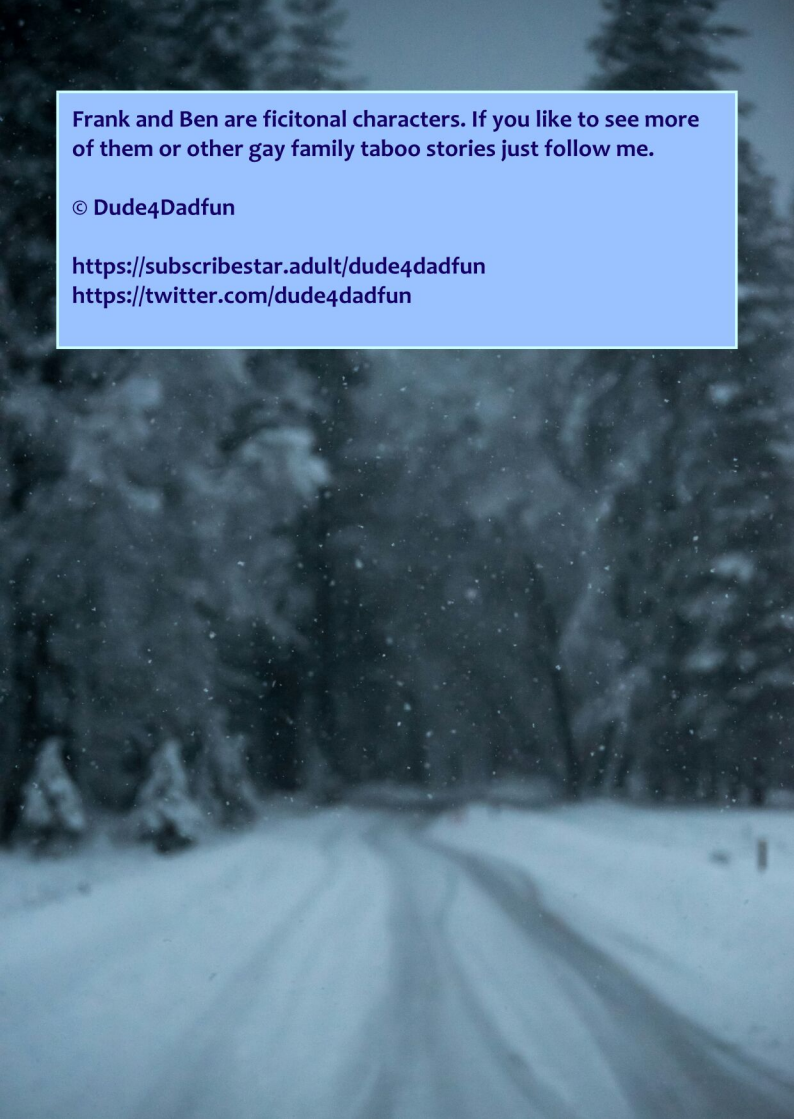

AAAAHHHH... AHH...
DAAAAD... I'M CUMMING

OOHHHH
BOOOYYYY

The happy end...

A blurred, monochromatic image of a snowy forest path. The path is covered in snow and leads into the distance, flanked by snow-laden trees. The overall scene is misty and serene, with small white specks representing falling snow or light rain.

Frank and Ben are fictonal characters. If you like to see more of them or other gay family taboo stories just follow me.
