

Ren notices Ann's phone, and after he lifts it to his face, he becomes very curious. *I wonder what she even puts on here.* He thought as he started to look through the girl's phone. When he came across multiple folders named after her modeling shoot, he couldn't help but click on the first folder, which contained pictures of Ann wearing a pair of light pink workout pants with her top being the same shade of pink but sleeveless. Ren cocked his head to the side as he started to become curious to look at the other folders, wondering how many outfits Ann modeled and wanting to see how she looked in them. *I bet she's cute in all of them.* Ren thought as he started to scroll through the folders to look at the images and the occasional video of her saying a few words about the outfit she was modeling, wanting to satisfy his curiosity.

The more he looked through the folders, the more he couldn't help but notice the way his cock started to twitch when he reached the occasional bikini picture shoot. He swallowed thickly as he peered up from Ann's phone, hoping the girl wasn't going to start shouting at him for snooping. When he realized he was safe, Ren looked back at the girl's phone, wanting to keep staring at the pictures and the videos Ann had taken. Ren's cock started to throb harder as he continued to scroll through the girl's phone. Soon, Ren started to get a real reason for his cock to twitch when he kept scrolling through the folders that held Ann's modeling gigs.

The photos and the videos began to show Ann in a different light. The girl was in a white bikini while on her knees, and her lips parted in one photo. Ren's breath hitched at the sight, and when he clicked over to the next thing, Ann was still in the same outfit, but this time, it was a video of her sucking an older man off. Ren couldn't help but turn on the audio, wanting to hear everything that happened. Ann's moans were loud in the video, and so were the man's grunts as he continued to feel Ann's lips around his cock. "You're such a damn slut," Ann merely sucked on the man's cock even harder at the words. The girl knew what she wanted, and she was going to make sure that the man was pleased, judging from the way Ren knew how Ann would act whenever she wanted to get a job done.

Ren didn't think he would ever get a chance to see Ann on her knees like that as he continued to watch the video, wanting his brain to burn the entire video into his memory. He didn't want to lose it for anything in the world. "Fuck, she's so sexy," he grumbled as his cock twitched in his pants. Ren knew he was going to keep looking at the other images and videos Ann had filmed with different men, knowing he wanted to see *more* of the girl. When he clicked over to another video, it was one where she was wearing a black blouse that barely covered her tits, and her pink skirt did not cover her thighs. She was wearing white ankle-length socks as she smiled and posed in the video. However, Ren knew something was about to happen as it was a much longer video.

“Get on your knees,” a man commanded Ann in the video, and she listened to the man, dropping to her knees as she tilted her head up at the man, parting her lips as she knew what the man wanted from her. Ren watched as the man pushed his cock into Ann’s mouth, wanting the girl to start sucking him off immediately. Ann let out a soft moan as she started to wrap her tongue around the man’s dick, wanting to keep hearing the man’s grunts and moans. The more Ren watched the videos, the harder his cock got. *Oh, fuck!* The boy couldn’t help but imagine that it was him doing those things with Ann. It didn’t matter that it wasn’t him in the videos. Ren had a working imagination, and that was all he needed.

Well, that *and* the videos.

Ren’s cock was even *harder* now, and the boy grunted at the sensation he felt. He couldn’t help but wonder if Ann really felt *that* good for those older men. He swallowed thickly as he couldn’t pull his eyes away from the screen.

From the videos, it was clear Ann *was* enjoying herself. *She’s not faking her moans.* Ren couldn’t hear anything that could say Ann was faking those sweet cries of hers. *She loved what went down in the videos.* He thought as he swallowed another lump in his throat. *She has been enjoying herself a lot.* Ren knew he should stop scrolling through Ann’s phone. Except, he couldn’t tear his eyes away from the pictures and videos. *She doesn’t even know that I’m looking at all of these.* Ren didn’t know if the thought made him feel better or not.

He wasn’t looking to shame Ann. He would be a nasty hypocrite, as he was getting turned on by the things he was looking at. Ren swallowed thickly as his cock continued to twitch in his pants. *Oh fuck!* He thought. Ren knew he was going to make a mess of his pants, but he didn’t care. All he knew was that he felt nothing but pleasure as he continued to feel his cock twitch in his pants. Eventually, Ren started to leak from his cock as he started to release pre-cum from all of the excitement. *Oh fuck! I’m going to cum at the rate I’m going.* Ren thought as he reached down into his pants and grabbed his twitching dick.

Ren moaned at the sensation. *I need to cum at the rate I’m going.* He thought as he started to jerk himself off as he continued to watch the video. *Her moans are heavenly.* Ren thought as his dick twitched at the sound of Ann’s voice. “Oh fuck,” Ren grunted as he started to spill his load all over his hand. Ren wasn’t surprised by the amount of cum that was all over his hand. The boy clicked his tongue as he couldn’t believe it. *I know I hadn’t cummed in a while, but all of this over Ann’s photoshoots and videos feels a bit ridiculous.* Of course, Ren wasn’t calling Ann ridiculous. He was calling himself ridiculous. He knew Ann was hot. *I don’t know why my body is acting like I had never seen Ann before.* Ren wondered why his body decided to react now that he was looking at the girl when she was doing sexual things. *Oh, God.* Ren felt his cock twitch once again.

The boy knew he was going to cum again soon at the rate he was going. *Crap! Shit!* And yet, Ren couldn't look away from the screen. *I know I need to stop watching, but she takes their cocks so well.* He thought as he continued to watch the video. He took in the girl's moans from the video, loving the way Ann's cunt tightened around one of the men's large dicks. *Holy shit!* He thought, unable to tear his eyes away from the sight.

Ann's cunt continued to milk one of the men's cock while she was giving a different man a blowjob. As she kept her lips wrapped around the man's cock, the man who was fucking her pussy gripped her waist as he started to increase the pace of his thrusts. "Oh yeah, you like my cock, slut?" Ren's ears burned at the words the men used to refer to Ann. *Does she really like things like this?* Ren knew he couldn't judge. After all, he was the one watching the video and getting off to it. *Oh fuck!* The boy thought as he started cumming once again.

Ah, shit. Ren knew he was pent up, but cumming so much due to watching one video was just embarrassing. *Maybe it's not really embarrassing to cum so much, though.* Ann is hot. Ren thought as he kept watching the video.

Well, he would be watching the video, except it had already ended. *Damn it. I need to watch it all over again. I want to get all of the details that I've missed during my first watch.* The boy thought as he started to play the video all over again.

When Ren finished watching the video, he couldn't help but hope that his nose wasn't bleeding. *I'm such a pervert.* Despite the thought, Ren kept scrolling through Ann's phone. "I'm nothing but a nasty pervert, and yet, I can't stop looking at the pictures and the videos. She's fucking hot," Ren said. *I hope she knows that she's hot as hell.* The boy thought as he continued to scroll through Ann's phone.

He glanced at the door. *Good, she's still preoccupied. That means I can keep seeing what else she has in this folder.* He thought. When Ren saw pictures of Ann while she was wearing a bikini, he thought he was going to pass out. However, when he started to come across the pictures of Ann wearing nothing, Ren knew his nose started bleeding as his cock immediately stood at attention. "Holy shit!" The boy wanted to know if the men paid Ann extra to get such pictures. *She's like a Goddess, I swear.* Ren thought. He kept jerking himself off as he grunted as he kept looking at the pictures.

In some of the pictures, Ann was covered in cum, and as embarrassing as it was, it did push Ren over the edge once again as he made a mess of his hand. *S-shit.* The boy grunted as he slowed to a stop once again. *I really need to stop jerking off to her stuff. She doesn't even know that I'm looking at these.* Ren couldn't help but feel that twinge of guilt as he kept Ann's phone in his grip.

He swallowed thickly. *There shouldn't be any issue since I'm not recording. Maybe Ann will forgive me for being nosy.* Despite what Ren was truly thinking, he wondered if Ann would really be angry with him for going through her phone. It didn't help that the girl didn't keep the files locked behind a pin. *Maybe she likes it when people look at her sexy pictures and videos?* Ren wondered. He didn't wish to assume, but Ann left her phone unlocked with him.

Ren knew he was a curious person by nature, and sure, he should have closed out the files when he realized exactly what he was looking at, and like any hormonal teen, he decided to keep scrolling to see what else he could. *She gives a lot of titjobs and blowjobs.* Ren thought as he kept his eyes glued to the screen of the phone. *Fuck. She's extremely hot.* The boy thought as he kept watching the videos and looking at the pictures.

Ren kept his other hand out of his pants, knowing he was willing to keep stroking his dick if he didn't will himself to stop now. However, Ren knew he wouldn't be able to stop cumming at the sight of Ann looking and acting sexually. As soon as he had thought about his dick staying hard, Ren felt his cock twitch. *Damn it.* He grunted, knowing he was going to be hard for hours at the rate he was going. He wanted to find it ridiculous, but the more he looked at Ann's pictures and videos, he kept learning that it wasn't ridiculous at all.

The more Ren kept flipping through the videos and pictures, the more he wondered how many shoots Ann did in a single day. *Judging from these, it looks like she shoots a lot during the timeframe.* Ren thought, swallowing thickly once again. The young man continued to scroll through the files. There was something specific that caught Ren's eye, and he couldn't help but click on the video. It was the longest video in Ann's media files, and that grabbed Ren's attention. *What kind of filming takes four hours?* The young man was curious as to what Ann did in the video.

However, Ren was not a patient teen. When he realized that the video included the setup, he couldn't help but roll his eyes. *No one likes watching the setups like that.* He thought, scrolling through the video until he found what he was looking for. *Ah, there we go.* Ren thought, noticing Ann's shape immediately. However, what really grabbed his attention was *what she was wearing.* "Did she really film herself wearing it?" Ren couldn't believe his eyes as he took in Ann wearing her Panther outfit.

Once he got over the initial shock, he realized that it made sense for Ann to wear it during her videos. "It is a latex catsuit," Ren said. It didn't help that the zippers were in all of the *right* places. Ren swallowed thickly when Ann let out a soft moan as the girl was surrounded by a group of men. The young man's dick grew even harder as he kept watching the video.

Ren wasn't shocked when Ann parted her lips to take in one of the men's cocks. In fact, he was sure he wouldn't be shocked at anything in the video. As soon as Ann let out a soft moan as she started to suck the man's cock, she let out a much dragged out moan when she placed herself on another man's cock, slowly pushing his length inside her cunt. "Fuck," she groaned and moaned around the cock she was sucking. "I have one more hole, boys," Ann said, giving the men (and the camera) a very soft smile before placing the man's cock back in her mouth, causing the man to groan at the sensation.

Ren gasped as he watched one more man enter the frame and get behind Ann. He swallowed thickly. *O-oh! She really wanted them to fuck all of her holes.* The young man moaned and groaned as he took in Ann's guttural moans when the men started to fuck her. *Holy shit.* Ren's mind was blown as he watched Ann arch her back in pleasure as the three men continued to thrust inside the respective holes they had. *She's taking their cocks so easily.* Ren thought as he continued to moan and groan at the sight.

Ren kept watching the video, knowing he was in for a lot of good things the more he kept his eyes on the screen.

The camera zoomed in closer, and the only thing Ren saw was Ann's cunt milking one of the men's cocks, and at the sight of Ann's twitching pussy, Ren immediately cummed in his pants. *I'm going to need to replace these.* Ren thought before focusing back on the video. *Fuck! She's even sexier in that damned catsuit.* He thought. He refused to start biting his knuckle, knowing that he would immediately break skin because he would be too focused on watching Ann having sex with multiple men. *I guess it is a good thing that I never started biting my knuckles.* Ren thought as he continued to watch the video. *Oh man, they are pounding her.* The young man thought as he couldn't rip his eyes away from the sight.

It was clear Ann was genuinely enjoying what was happening, as Ren noticed that she radiated happiness throughout the video. *She looks extremely happy.* The dark-haired boy thought as he started to pay attention to Ann's facial expressions. *I want to see her this happy all the time.* Ren thought as his cock twitched at how giddy she looked. As Ren continued to watch the video, the only thing he could focus on was the way Ann jerked her body as she enjoyed the men using her holes. Soon, the cock that was shoved down her throat started twitching, and Ren watched in amazement as Ann swallowed down the man's load effortlessly.

Ren swallowed thickly when Ann beamed at the men, and suddenly, he started to see cum coat her cunt and ass. *Holy shit, they both finished at the same time.* Ren knew that the video was far from being over, so he was giddy to keep watching. After a few moments, Ren watched as the men switched places, each man going for a hole they hadn't fucked. Ren gulped as his achingly hard dick twitched in his pants. *She really got fucked in this video.* The young man thought as his eyes were glued to the phone.

Soon, the fucking started all over again, and Ren couldn't ignore the urge any longer. How could he? Ann was just sinful, and as soon as he wrapped his fingers around his cock, Ren exploded all over his hand as he started to stroke himself off, keeping his eyes pinned on the video. The only thing the young man understood was that Ann was hot as hell, and he wanted to keep watching the video. It's *unreal* how hot she is. Ren thought as he enjoyed the way Ann bounced against the men's cocks. This video is *extremely* hot. The young man thought as he continued to jerk himself off.

Ren moaned and groaned as he continued to watch Ann get fucked by the men. *I hope they knew how lucky they were to have Ann in such a way.* The young man thought as he took in the lovely sight of Ann moaning and groaning due to the men's cocks causing her to feel extreme pleasure. *These lucky fucking bastards.* Ren thought as he took in Ann's whimpers and whines as she twitched on the men's cocks. *She's so beautiful.* He thought as Ann threw her head back, causing the dick she had been sucking to spray her tits with cum as she cummed all over the cock that was inside her cunt.

Once everyone had caught their breath, Ann flashed a tired yet satisfied grin at the camera, and just like that, the video was over.

Ren breathed out harshly before chuckling. "I need to watch that again," he mumbled before he pressed play on the video, ready to watch the video from beginning to end.
