

PAGE C17-P04

PANEL 1

Wide panel. Daisy & Heather (pulling the cart) have resumed their progress toward the castle. The angle (slightly from behind the cart) lets us see the winding road leading to the castle at the top. We also see Daisy and Heather, but not Little Attitude.

DAISY

So, Princess, what will you do once you're back in the castle?

DAISY

You have a plan, right?

HEATHER

Of course.

PANEL 2

View of the cart heading toward us. Heather is only partially visible (bottom right of the panel); the focus is on Daisy as she loosely holds the reins. While she's talking to Heather, she's giving a suspicious glance at Little Attitude, who's hovering near her, cracking her knuckles with a mischievous expression.

HEATHER

First, I'll find PRINCE AIDAN.

(Cont'd)

He's my sister fiancé, but he has the hots for me. He'll help me for sure.

DAISY

Help you do what?

HEATHER

Capture Forrester and take the ring from him.

PANEL 3

Similar layout to Panel 2, except that Daisy is surrounded by sparkles and looking down at herself. Instead of her normal outfit, she's involuntarily cosplaying as TAKI from Soulcaliber

(ref below), including the GIANT BOOBS. She's glaring at Little Attitude. (Since this is a magical disguise, she's FULLY like Taki, including the face, hair and makeup.)

DAISY

Okay, that tracks. The ring of DOMINUS FEMINA won't work on a man.

HEATHER

Then I'll take the ring and use it to get my body back.

(Cont'd)

Maybe have some fun with it first.

DAISY

(Whispering to Little Attitude, small balloon & font)

QUIT IT!

LITTLE ATTITUDE

(Small font)

LOL

PANEL 4

Panel has a wobbly frame to indicate this is a sexy fantasy. Heather (as Forrester Rex wearing Lady Whisper's clothes) is humping into Forrester Rex (as heather wearing Forrester Rex's clothes) from behind and against the wall, pants down and jacket raised above his hips. (See refs below. Note that at the time, Heather's body still had her extra-large boobs.) Heather is pulling Forrester's hair back with one hand and holding the ring of DOMINUS FEMINA with the other (hands-free humping, yes). Forrester's eyes are closed and he's gasping for air--this is clearly some QUALITY HANDS-FREE HUMMING for sure.

HEATHER

Nothing wrong with a little fun along with some righteous revenge, right?

FORRESTER

Oh, Princess, you're THE BEST!

PANEL 5

Similar layout to Panels 2 & 3, except that now Daisy (still surrounded by magical particles) is wearing the LEELOU outfit

from Fifth Element (with her normal boobs), INCLUDING the orange hair (and without the red mark on her face). She looks exasperated:

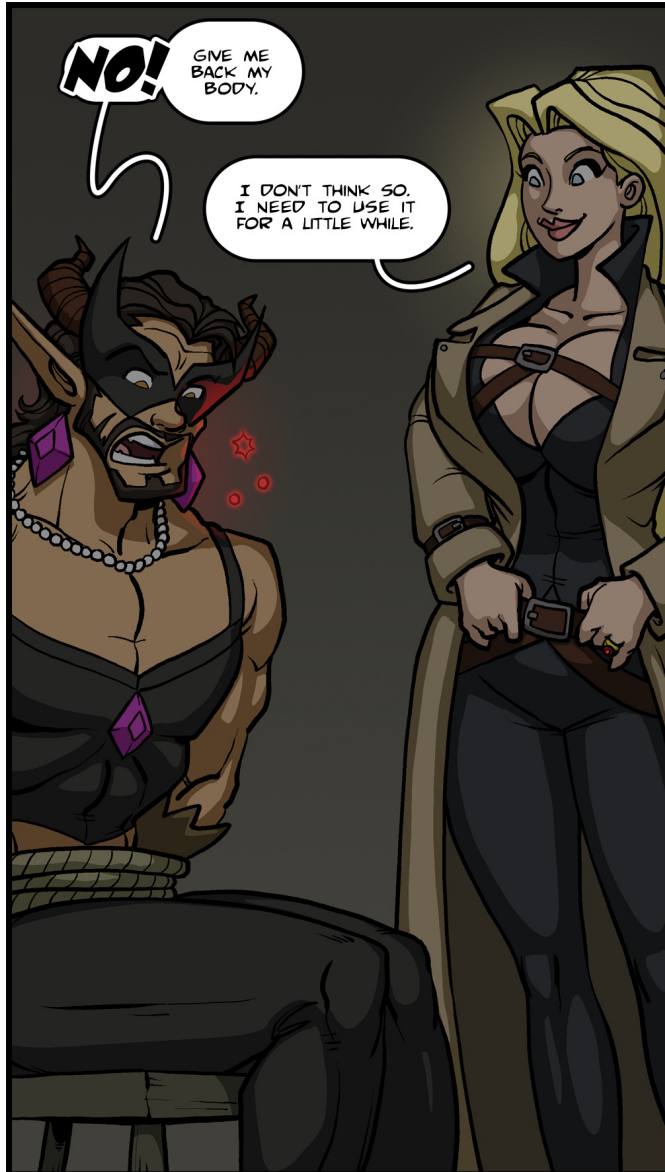

DAISY

There's something VERY WRONG with you,
you know that?

HEATHER & LITTLE ATTITUDE

I do.

REFS: HEATHER AND FORRESTER REX (CHAPTER 11).

REF: TAKI

REF: LEELOU
