The Substitute 01

Miss Clarice

Inspired by German3909090390's School Teacher Skinsuit comic. This was created as homage to the legendary skinsuit master. My version was created in mind to study and recreate a classic. There are minor changes with my spin on it.

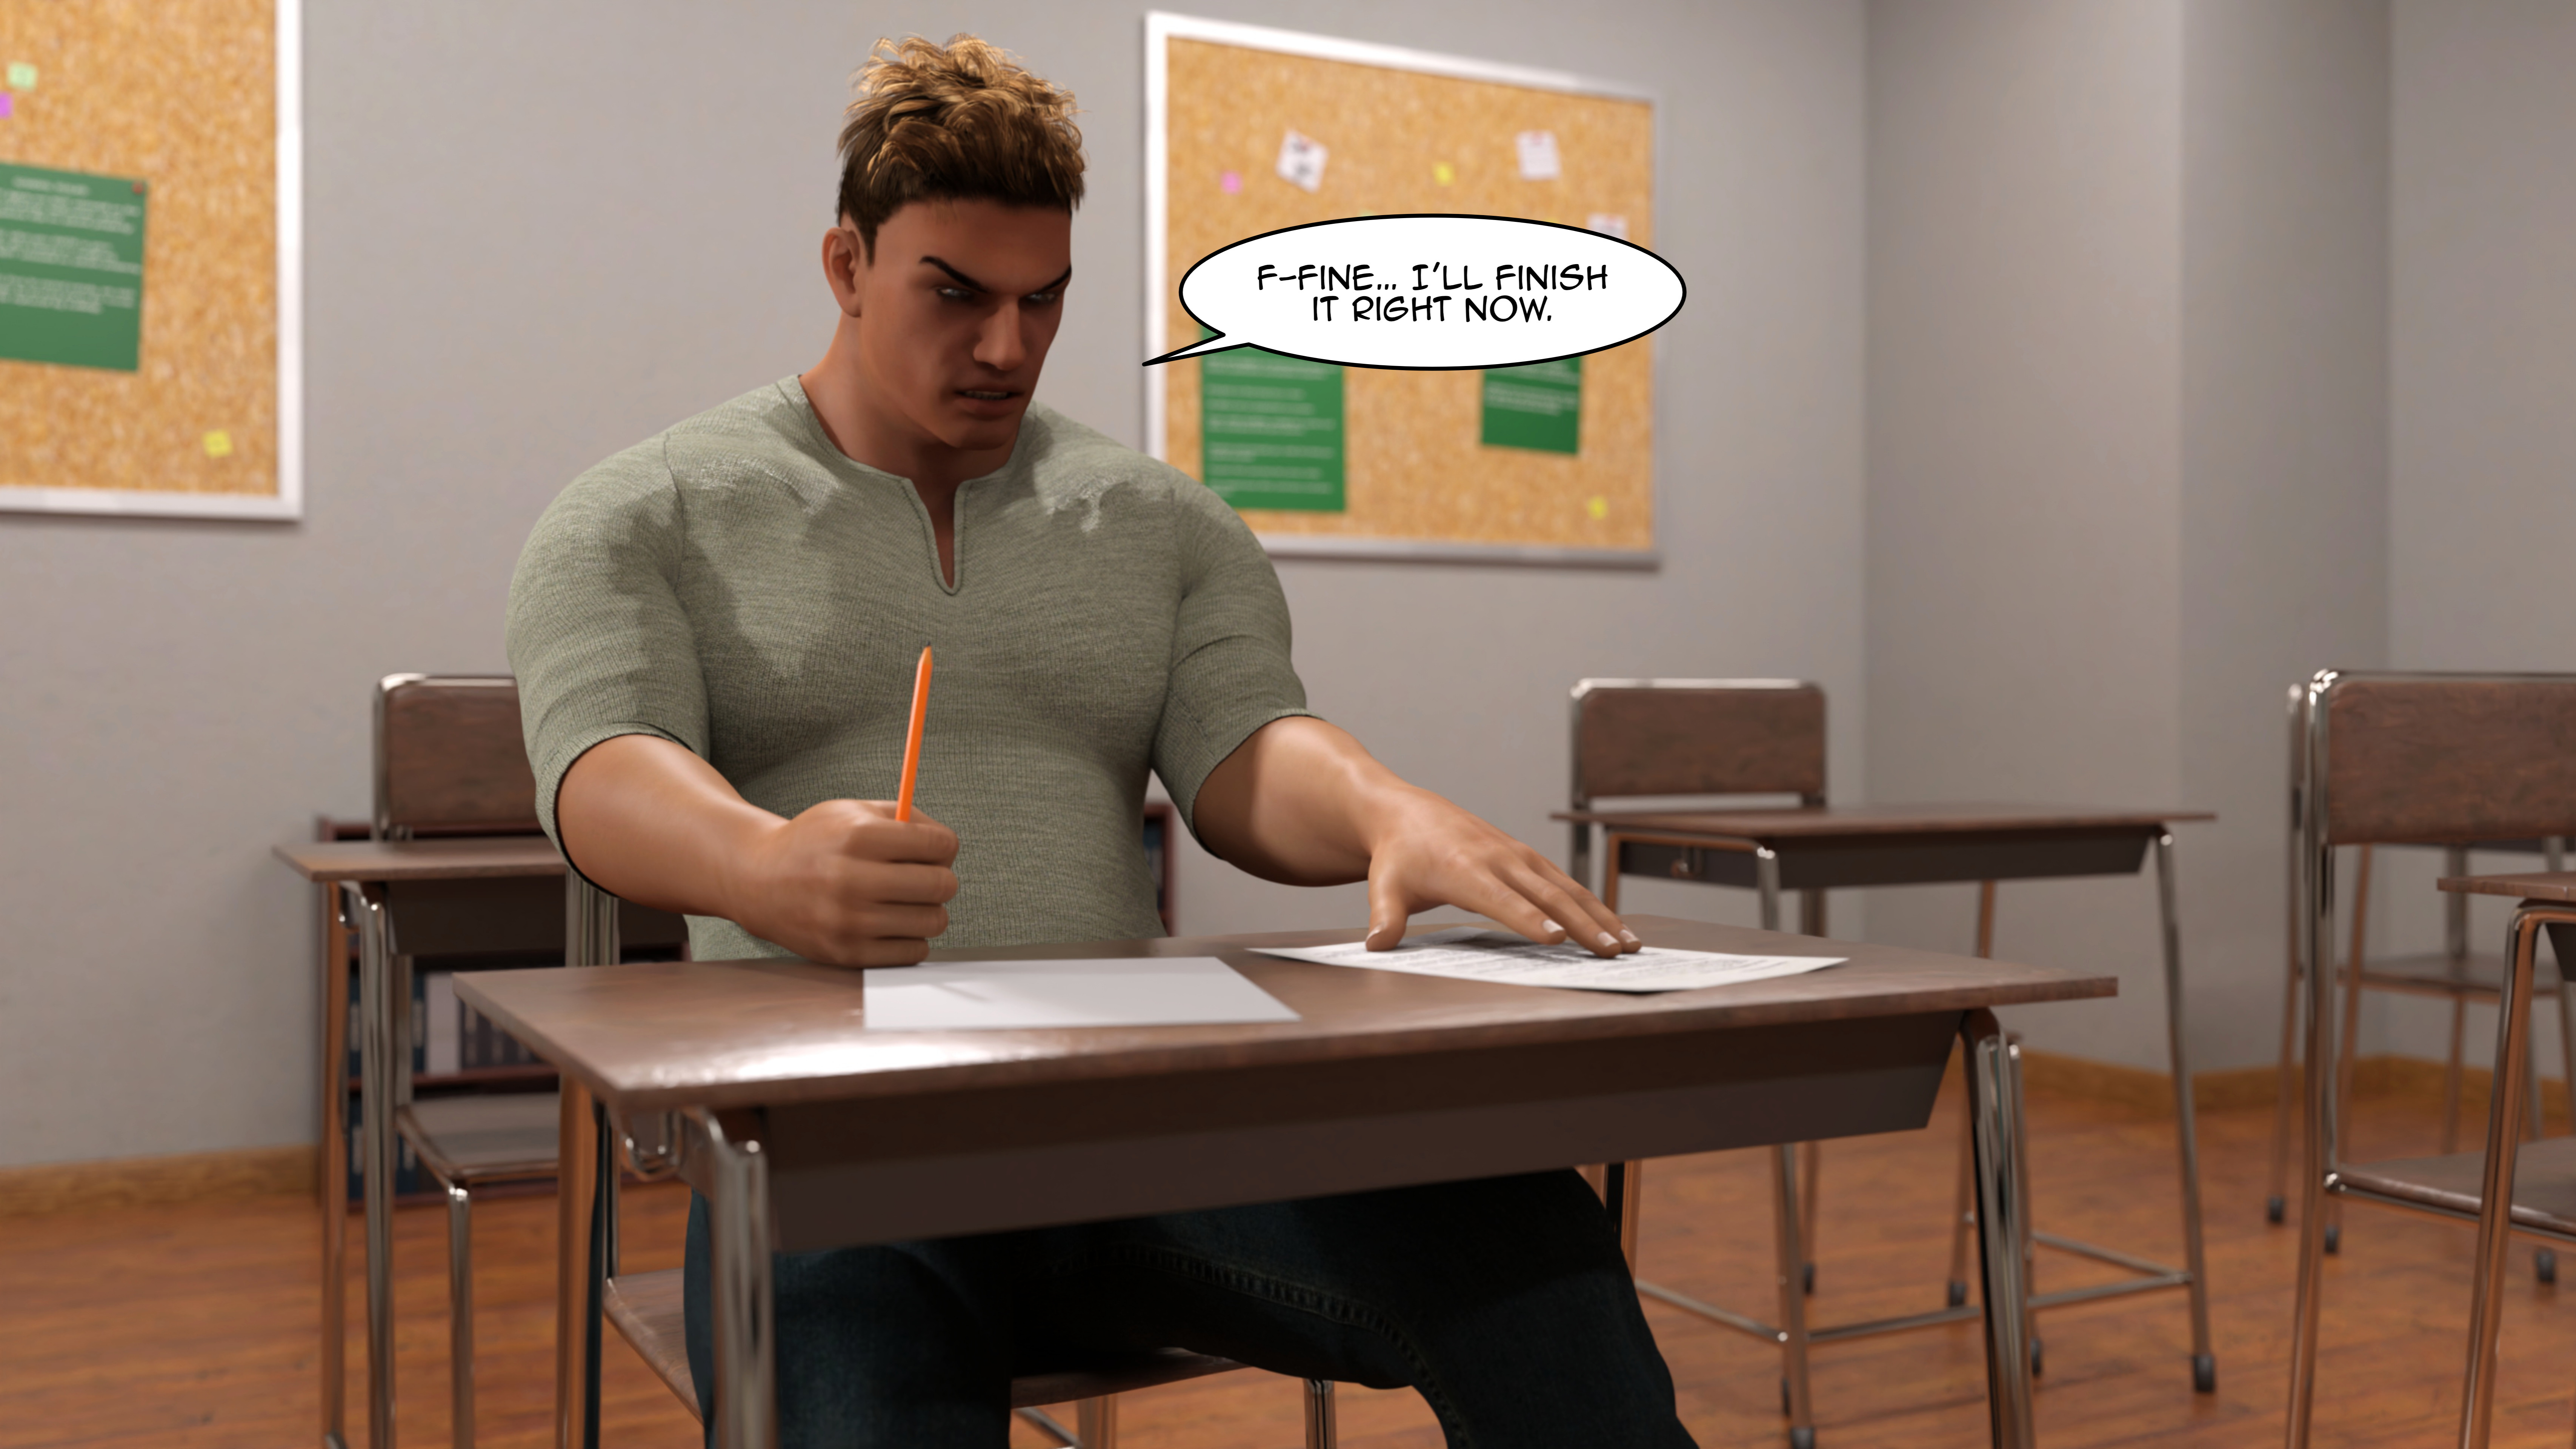

This is where it all started. :)

A woman with a high ponytail, wearing a white blouse and black leggings, is walking away from the camera in a classroom. She is wearing black high-heeled sandals. In the background, there is a green chalkboard, a fire extinguisher, and a white door. In the foreground, there are wooden desks and chairs. A speech bubble is overlaid on the image, containing the text: "WAIT MISS CLARICE. CAN YOU EXPLAIN THE LAST POINT ONE LAST TIME?"

WAIT MISS CLARICE. CAN YOU EXPLAIN

A woman with dark hair in a bun, wearing a light-colored blazer, is shown in a classroom setting. She has a distressed expression, with her mouth open as if shouting or crying. Her right hand is raised towards the camera, and her left arm is extended to the side. A pink speech bubble with a black outline is positioned to her left, containing the text "HELP! I HAVE TO GET OUT OF HEEE-". The background includes a green chalkboard and a window with a view of trees.

HELP! I HAVE TO GET
OUT OF HEEE-
