

# The Sixth String (E)

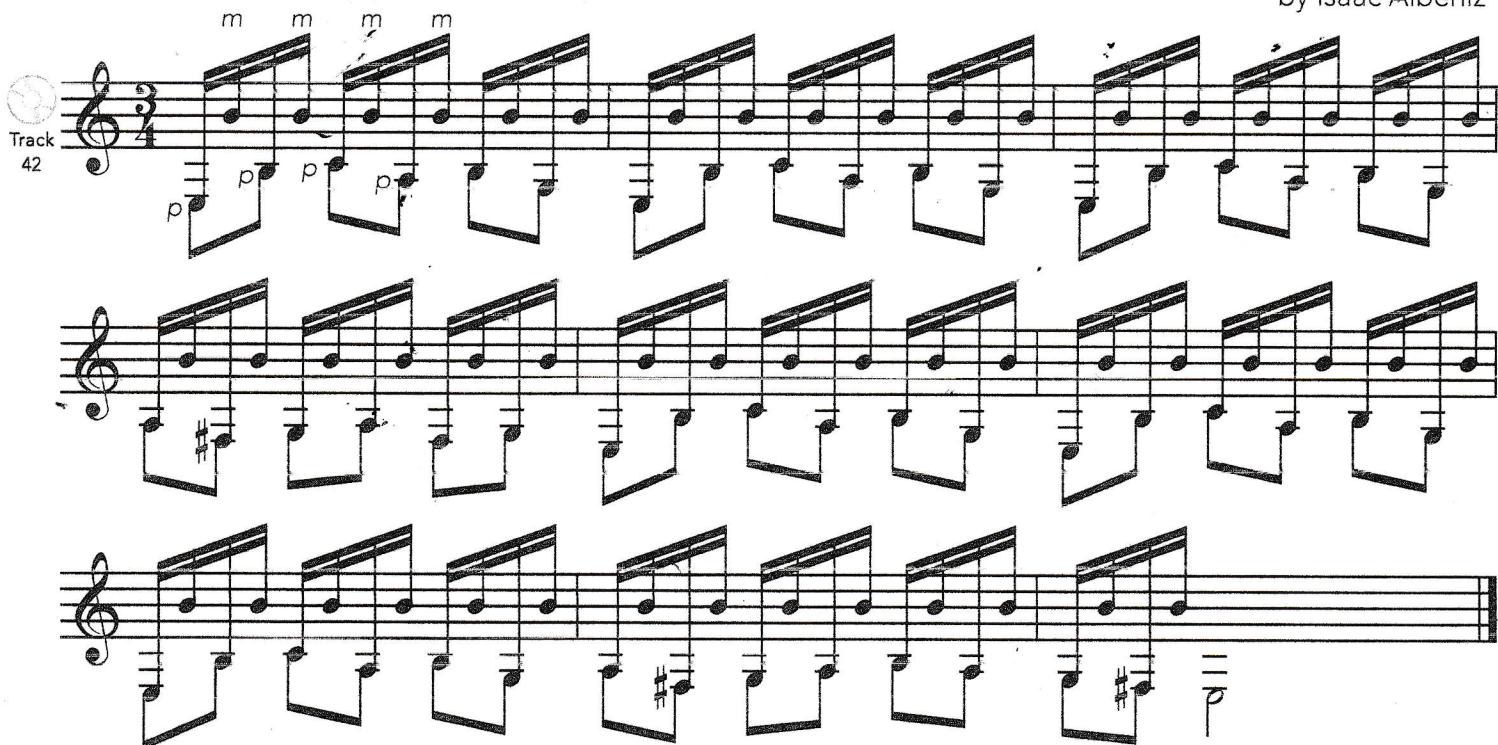

is your guitar in tune.

	E	A	D	G	B	E
FRET 1	(F <sup>1</sup> )					
FRET 2						
FRET 3	(G <sup>3</sup> )					

## Theme from Asturias (Leyenda)

by Isaac Albéniz

If *Leyenda* isn't the most famous guitar piece, then *Malagueña* surely is. It's really a flamenco piece, but when people find out that you play the classical guitar, you'll be asked to play it. This excerpt will get you started. Hold down all the notes with the left hand for as long as you can, letting the notes ring through one another.
